have to read before I am ready for college so I
can keep it and I can know after he is gone I
hope you will come and bring Mother with you
to our examination which will be about the end
of September I do not know exactly on what time
but I will write and let you know in time
We are all busy preparing our speeches for it
I sent Margaret her pocket and a letter from Mr
Lyon to give by Babbon Hester is well I received
a letter from her the other day I remain your son
