application, as the course of study has been considerably enlarged. I would observe that the faculty of college, have procured a permanent instructor in the French & Spanish languages. This of course will be of essential advantage to the students.

I should be very happy to see you, and as many of your friends as feel disposed, to attend the examination & exhibition at the close of this term. The time is not yet fixed; but you shall be informed in due time by Rodgers.

Respectfully
R. Smith.
