Dear Father

I suppose you will be expecting me to tell you how I come on in my studyes my reply is but poorly In the first place I am put out of my course for Yale I am not reading the Greek Testament nor Minora nor the Geography that I will have to learn if I go to college I spoke to Mr Williams and he says that he cannot put me in a class by my self for every class has its apointed time. And they only read the first 4 or 5 chapters in Testament he says and Minora they do not read a tall They have certainly a good plan of teaching boys But I will not be able to prepare when I am But you can do as you think best I am reading Greek that is about twise as difficult as what I was accustomed to before I came here to read David Cushing is going on extremely fast with Mr Rogers who has only 14 scholars to attend to David will go to College befor me if you do not settle matters better than
