Mr C. Birnie

Dear Sir

Your letter of the 7th Inst. was this day received, with Stanley & Co's note for $241.99, for which I rec. their check on the Commercial & Farmers Bank payable to your order, and have had the same endorsed by the Teller of the bank, so that you will have no difficulty in getting the money for it. You may freely command my services here, as it will give me pleasure to attend to any thing for you.

Please present my respects to Mrs Birnie and the young ladies.

Very respectfully

Henry C. Irvine

P. S. Our city is very dull at present and no news, except the result of the late election in the city of New York. The friends as well as the opposers of the Administration calculated on their being a majority for the Jackson candidates, but neither party I believe had any idea that it would have been so large.

H. C. I

Since I rec. yours of the 18th Inst I had Stanley & Co's check attend and rec. the money for it, which I have herein enclosed.
