in every thing but it I am coming on pretty well I will go on until this term is out and I hope there will be some ~~things~~ change made so as to set every thing to rights I delivered your letters and Mr Ervin told me to tell him if I knew of any opportunity to tell him and would sea you the money I think if you would tell Mr Babbon to call at the Tavern he could get it for Mr Ervin told me he would have it ready for to send as soon as I got him a way to send it the Tavern is opposite Mr Cushings store you can tell Babbon if you want him to call Ruf R Galls sends her love to the Girls and ~~sends~~ says she is looking for them every storm as she generally travel in one of the Girls come down please to send me my gun for to get her bushes for I know that she wants it very much I got my cloak for 6 dollars which is the lowest I could get it for I remain your aff Son

Rogers Birnie

would take him & send him
to school this winter.
We have a 30 or 40 $ job of
Plastering to do early in the Spring
if nothing happens which I mean
to offer to him but did think
he would not do it but he may
use his own pleasure as respects that
I send you by Ann 5 62½ cts
for the Wheat

with Respects yr

I Darby
