Mr C. Birnie

Sir

I have received your letter of the 7th of Dec. 1827, and learn by the same that you wished to know how many Saxon Rams I have for sale and what the price is of the same. With pleasure do I give this information. The number I have to dispose of is but smal, consisting of 17 Rams one year, and 4 Rams two years old. The price will be $185 a piece. Three of the first choise among the number above mentioned, I could not afford very well to sell them cheaper than $130 a piece. These would be my lowest prices for the present year and deliver them at New York free of Expences. The price what I have sold my Rams for last season, has been $100 to 125 a piece. The probable expences on board a Packet schooner from New York round to Baltimore will be about from $5 to 7, perhaps less.

It would be very agreeable to me if you could come ~~and~~ see me and make the

Dear Father

As soon as Sutunia here I looka for the account you had formerly directed me to send you And notwithstanding I keep my letter papers &c endorsed & alphabetically stowd away in pigeon holes I cannot find them but in its right place I found the letter in which you enclosed them to me

On reference to yr letter assuring me to return them "you say send me the account of the Cash" You recollect you I did not send the letter for you came yrself treat it inasmuch as you got it in my office when in all probability we spoke of the I, pehr. but you may have rec^d the acct at the same time This is the only national account I can
