they came to be Shipped he Insisted on having
having £15. saying that they were sammuch
larger than he expected and wanted but
him to samuch more expence for making
room for them besides the Way and Journey
took so much more room than he expected
I told him I would give him £12 which
he refused, I told him he must take
them on Board as the pavendu was there on
Board and the Cattle along side which he
did it was then 7 o Clock evening and the Ship
to get out of Dock & sail at 7 in the morning
he then must have the freigh paid which
I promised to be on Board at Seven & pay
him which therefore I at present cannot
state the exact amt. I have wrote Mess.rs
John White & Sons to receive them and
write you Immediately to send for them
so much for a Bull and Heffer. I now am
with pleasure inform you that my
Self and Fammaly are as well as you could
wish us and when I can with truth say
that I never in my life doing better
in my Business Indeed I am now quite
Independant and altho I do as much
Business as any of what I used to call
the great Dealers here I am now as great
as the first of them not as to property
but in Credit and respectabellity

I think I am Ten Thousand Pounds better
than when I last wrote you this I may
say to friend Birne. I have got another
of my Daughters most respectably Married
the one who finished her Education in
France about three years ago a west
India Merchant who was then here but
had lived in the west Indias for some
years paid his addresses to her and they
agreed to be Married in two years as he had
to go out and settle some Business there
and return for good having made £22,000
but about Six months before he meant
to return he took a Feavour and died
a Copy of his will was sent over here
to his Friends by which they informed us
that he had left my Daughter Six
Thousand Guineas. about three months
before it was known here of his death
a most respectable young Man paid
his addresses to her when she informed
him that she was engaged, but when
the Death of the other was known in
a proper time he renewed his former
proposal in Six Months after they were
Married he had £5,000 left him by an
uncle three years since besides he
was worth a Handsome sum before
in Business he refused taking a pound of he

at Doncaster for £500 but he durst not
Lord Milton made a Match next day
to run a Mare that had beat Lord
Morbreys Horse at york with my Horse
for £50 subject to my Approbation
he called on me next Morning at the
Hotel with Mr Rigale to ask me if I
would let him run he said he was
sure to win and he would ride him
and stand the stakes or that I might
go the stake £50 if I chose I told him
I would allow him to run if he
would ride him and I would pay the
£50 if he lost they started and he
win easy this was in Sept.r 1826 in Dec.r
Lord Milton wrote me that he would
give me £200 for him which I was
advised to take and which I have
often repented as I could have since
made £500 by him L. W has made
that sum by him he has never been
beat but twice he is now rising
twelve years old. I have now two very
fine racing Hunters both Family
of Dawn Bird I have never run

either but intend next Summer to
try their Luck it is a wonderfull
Country this for Racing. Indeed my
Dear Sir you will think it strange
my doing what I have told you
but as my Business is all wholesale
and my Son so Clever and attentive
to My Business in which I have given
him a Share now Mess.rs Field & Son
that I have very little to do but ride
about and a good Horse is my
Delight. I send you a few of the
latest News papers whereby you
will see the state of this Country
and Ireland. dissentions is every
day encreasing betwixt the Catholicks
and Protestants how it will end
God only Knows this days News
from Dublin informs us of the
Arrest of Mr Lawles for
high Treason this is the first
Government step. however it
is becoming the General opinion
that the Catholicks must get
