Frederick, October 20th 1828

Dear Sir,

The Jackson party of Allegany Washington and this part of Frederick County are firmly convinced the Jackson electoral candidate for this district can be elected, if the friends of the old Hero make a united and vigorous effort - The contest is of vital importance to the people of this country; - particularly the plain and poorer class; for we consider it emphatically a contest between the would-be nobility of this country on the one hand, and the plain and poor people on the other - Our object in addressing you on this occasion is, earnestly to request your hearty co-operation with us - Do exert yourself in the good cause - We would respectfully suggest private electioneering - See Jacksonian and urge them to the polls - Adopt such measures as will secure the vote of every Jackson man in your neighbourhood - Carry with you to the polls all timid and doubtful men - There are many in the [illegible] who are afraid to vote their sentiments for fear of offending some Adams man - Men of this description should be manfully sustained by the Jacksonians - All that the friends of the old Hero require, is, that every man, poor or rich, should vote his sentiments, uninfluenced by any consideration whatever - Please inform us how you are getting on -

Your most respectful
humble obedt. servants
