Balt. Dec. 9. 1828.

to you in April last from Frederick Town — mentioning that I had placed in the hands of your Son — C. Birnie Esqr — for your use $82-50 —

I think that I have not had the pleasure of a Letter from you since — On my visit to Liberty Town in Octr. last — I remained a much shorter time than usual — as my business here obliged me to be at Home — I hope on my next visit in the Spring — if health permits — I shall have it in my power to give you a call — when I expect to see a good promise from your young Vineyard and also your enclosures from thorn hedges, beginning to answer your expectations —

Mrs. Maynadier & Eliza are well and join in kind respects to Mrs. Birnie and the young Ladies — and self — with yrs. truly

A. Maynadier

Shall be glad to hear that you receive this
