My dear Sir - Liberty Tower 22. of Oct. 1830 -

After a very disagreeable ride, owing to much Rain having fallen, I have reached this Place; and my Health being but indifferent at present, I feel anxious to finish my business here and return Home - to prepare for Winter quarters

I send Charles with this and shall be glad to hear by his return - that you and your Family enjoy good Health - I enclose one hundred & twenty Dollars which I trust will go safe - I also enclose an Account commenced from Oct. 1825, since which time I believe I have not rendered one, which I confess has been very wrong on my part & will I think send you one, in future, yearly to prevent mistakes - I find that the older I grow the more I forget - often making mistakes, and neglecting to make entries in my Book, when they ought to be made - I have to request that you will examine my Acc.t - at your leisure - turning to my Acc.ts and Letters heretofore rendered - correct any errors, and inform me of them - so that I may rectify them -

You will see what numerous expenses arised, on your property - for repairs - certain improvements made to the House, to humor Tenants, and various Taxes to be paid -

Col. Dore - who seems to be declining in his health - told me the other Day that he expected to
