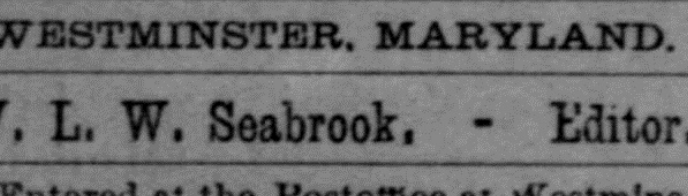
REPUBLICAN TICKET.



For Congress,
WILLIAM B. BAKER,
of Harford County.

Election Tuesday, Nov. 8th, 1898.

Frederick county Republicans think it is their turn to have the Republican nominee for Congress in the Sixth District of Maryland, and have endorsed Hon. Milton G. Urner for the nomination. They say that Frederick county has only had a Republican nominee twice since 1861, and is now entitled to another. If Frederick's claim is valid in the Sixth District, what must be said of Carroll's in the Second? Two nominations in thirty-seven years are vastly better than none at all in fifty-two years.

THERE'S ONLY JUSTICE IN IT.

The Republican convention of the Second Congressional district was held in Baltimore on Thursday and unanimously renominated Hon. William B. Baker, of Harford county, for Congress. Baltimore county's delegation cast six votes for State's Attorney John S. Ensor, but before the vote was announced changed to Mr. Baker and moved that the nomination be made unanimous, which was done. The proceedings throughout were harmonious. The Carroll county delegation served notice on the convention that two years from now it would demand the nomination for that county. Where will Baltimore county be then?—*Baltimore County Union.*

It can scarcely be denied that in appealing to her sister counties and the wards and precincts of Baltimore, embraced in the Second Congressional District, to concede the next nomination of a Republican condidate in said district to Carroll county, her representatives in the convention of the 1st instant only requested that which is clearly her due. The justice of her claim admits of no discussion because it cannot be disputed. The Republicans of the county have been patient and faithful through all the years in which their right to such recognition has been denied, but the time has come when it would be the grossest injustice to them to further ignore their appeals in behalf of the county in this matter. It is not a question of the status of Baltimore county, or any other portion of the district, if the next nomination shall be conceded to Carroll. There will be only justice and fairness in it—justice and fairness long delayed, but at last extended, and the character of the Republican party of the district for fair dealing vindicated in public estimation.

Baltimore and all the other counties of the district have had their turn, over and over again. Can any one of them afford to insist that the unfairness and inequality heretofore existent shall be further prolonged? Such a course would be at variance with the character of the party which has won the confidence of the people of this great country by its adherence to right under all circumstances.

THE PEACE COMMISSION.

President McKinley experienced considerable difficulty in making up the commission charged with arranging final terms of peace with Spain, as several able statesmen who were solicited to become members of it declined. The appointments have, however, now all been made and the commission is complete, Justice E. D. White, of the Supreme Court, having, it is said, after considerable hesitation, concluded to accept the position, with all its important duties and responsibilities. The personnel of the commission is as follows:

William R. Day, of Ohio, Secretary of State.

Cushman K. Davis, of Minnesota, United States Senator.

William P. Frye, of Maine, United States Senator.

Whitelaw Reid, of New York.

Edward D. White, of Louisiana, Associate Justice of the United States Supreme Court.

Of these commissioners Judge Day, previous to his appointment to succeed Mr. Sherman as Secretary of State, was least known to the country. He was, however, known to the President and has displayed qualities in the high office now held by him which render it certain that he will be equal to the intricate and difficult duties confronting the commission. He is a native of Ohio and has been judge of one of the courts at Canton, the President's home.

Senator Davis, of Minnesota, and Senator Frye, of Maine, are both well known to the country through the distinguished services rendered by them in the upper House of Congress.

Whitelaw Reid was the Republican candidate for Vice President in 1892. He is the chief owner of the *New York Tribune* and controls the policy of that great daily. During President Harrison's administration he was Ambassador to France.

Justice White is a native of Louisiana. He was, at one time a student at Mt. St. Mary's College, near Emmittsburg and afterwards at Georgetown College. He has been a State Senator and Associate Justice of Louisiana, and served part of a term as United States Senator before his appointment to the bench of the Supreme Court. He is a man of marked ability and is expected to render valuable service on the commission.

The views of the commissioners in relation to the disposition to be made of the Philippine Islands are not definitely known, but it is said that Justice White favors holding all the Spanish territory over which the American flag has been raised, and that Senators Davis and Frye and Mr. Reid are strongly in favor of holding all of the Philippines. The tone of the *Tribune* bears out that assumption in the case of Mr. Reid and it is probably true, also, in relation to Senators Frye and Davis. Judge Day holds about the same view that has been attributed to President McKinley, and that is, that the acquisition of Philippine territory by this country should be confined to the city and harbor of Manila. It is said, however, that he is open to conviction and will be guided in his course by what may appear to him to be to the best interests of this country.

At the meeting of the Republican State Central Committee, in Baltimore, on Thursday, Mr. Norman B. Scott, Jr., resigned the chairmanship and Senator Geo. L. Wellington was elected to fill the vacancy, with only two dissenting votes against him. Resolutions offered by Mr. George R. Gaither, Jr., divorcing party affairs in Baltimore from the control of the committee, were adopted.

The Fifth Maryland Regiment reached Baltimore Wednesday and was given a most enthusiastic reception by the people of that section.

A CRITICAL TIME
DURING THE BATTLE OF SANTIAGO.
Sick or Well, a Rush Night and Day

The Packers at the Battle of Santiago de Cuba were all Heroes. Their Heroic Efforts in Getting Ammunition and Rations to the Front Saved the Day.

P. E. Butler, of pack train No. 3, writing from Santiago, De Cuba, on July 23d, says: "We all had diarrhoea in more or less violent form, and when we landed we had no time to see a doctor, for it was a case of rush and rush night and day to keep the troops supplied with ammunition and rations, but thanks to Chamberlain's Colic, Cholera and Diarrhoea Remedy, we were able to keep at work and keep our health; in fact, I sincerely believe that at one critical time this medicine was the indirect savior of our army, for if the packers had been unable to work there would have been no way of getting supplies to the front. There were no roads that a wagon train could use. My comrade and myself had had the good fortune to lay in a supply of this medicine for our pack-train before we left Tampa, and I know in four cases it absolutely saved life."

The above letter was written to the manufacturers of this medicine, the Chamberlain Medicine Co., Des Moines, Iowa. For sale by Joseph D. Zepp, Druggist, Westminster, and Lewis H. Dielman, New Windsor.

SHOES AND HATS.

Shoes and Hats form two very important departments in our store. By persistent push and a close study of the needs of the buying public, we have built up a trade in these goods of which we are proud. To always show just the best styles and in such qualities only, as we can recommend for service and that will come within the price limit is no easy task. Yet the gratifying of our friends shows that our efforts are appreciated. This year we are showing a larger variety of styles, while the quality if possible has been improved, though the price remains the same or lower.

Comfortable Shoes.

Quality and style are not the only points taken into consideration by us when selecting a Shoe. Comfort is an equally important factor. Nothing worries one so much as sore feet. Our Shoes must have the right shape, plenty of room across the ball of the foot, a heel just the proper height and smooth inner soles, else we will not have them. Let us fit you out this fall. Our line is too varied to attempt description here, but no matter what you want you will be pretty sure to find it here.

Our $1.50 Hats.

We have some very choice styles in black and brown Derby Hats, fresh from the makers, to offer at this popular price. These hats will hold their color and shape to the very last and we especially recommend them to persons wishing a good serviceable hat at a medium price.

OUR FAMOUS 98c HATS.

This line of hats has grown to be justly celebrated. Such hats at such a price cannot fail to command admiration wherever shown. Among them will be found all the popular shapes and colors of Alpines and some very pretty black stiffs. They will always look nice and will wear well. Only 98 cents.

STATIONERY AND SCHOOL SUPPLIES.

Our great special sale of these goods continues and will last until every boy and girl in Carroll county is supplied. No matter what you want come to us and get it at a little lower price than you would pay elsewhere.

Our Store closes at 6 P. M., except Saturday.
