April 21st 1835 Dear sir having a particular Call for some money at this time you will confer a very great favour by letting me have by the bearer John Clingan the amount due me I am unable to say particular the exact amount as our bargain was that I would charge you 50cts per day for every day that you run it, you had it in your possession 7 days but whether you used it every day I leave for you to say as I have never been informed to that effect.

Yours Respectfully

John N Tays

Ps If you send me the amount due this shall be your Receipt
