WESTMINSTER, MARYLAND.

SATURDAY, NOVEMBER 5, 1898

HON. WM. B. BAKER,
Elected to three consecutive Congresses from the Second District of Maryland, as a Republican.

The elections of Tuesday have about put an end to the free silver craze and the Democratic party must look around for new issues or fall back into its old rut of opposition to the positive and well defined principles of the Republicans.

A lamentable state of affairs prevails at Wilmington, N. C. The destruction of the office of a colored newspaper by the whites, roused the colored people to a frenzy and a conflict occurred in which, at the last report, eight of them had been killed and large numbers wounded. Three white men were wounded.

Mr. Tippett is a broadfaced gentleman, but the news from Carroll county gave his features an elongated expression something on this order:

One of the most important results of the election this year is the large majority acquired by the Republicans in the United State Senate. The figures are not absolutely known, but it cannot be less than 16 and may reach 20. This renders it almost certain that a Republican majority will be maintained in the Senate for at least six years and assures the stability of the existing tariff law, thus preventing the disturbing effect of tariff agitation upon the country for at least that period. It also makes the free coinage of silver impossible for the same length of time and will give the country a rest from fears of the twin iniquities, free trade and free silver.

Clerical errors and omissions of one sort or another, in the returns from the districts of this county, except Union Bridge, Mt. Airy and the 2nd precinct of Freedom, prevented an official canvass by the board of supervisors of elections, on Thursday. The board met and the return judges were present with the returns, but it was found that the tally sheets from Taneytown, Uniontown, Myers' 2nd precinct of Westminster, Hampstead and Middleburg were unsigned. The envelopes containing the returns from the 2nd precinct of Westminster and from Manchester district were not properly endorsed and defects were found in the returns from all the other districts except those first referred to. The votes of the districts were tabulated but not passed upon. The table we publish elsewhere is therefore not official, but contains the proper figures as they will appear when the returns shall have been properly canvassed. The elections officers in the districts having defective returns were subpœned to appear before the board at noon yesterday and correct the defects mentioned, and the canvass will probably be concluded before the SENTINEL reaches its readers.

Ten defaced tickets, it is said, were counted by the judges of election in the second precinct of Westminster district, at the election on Tuesday. They were all voted for Mr. Tippett, the Democratic candidate for Congress, and each, in addition to the X in the square to the right of the Democratic column, contained a figure or figures, written upon it by the voter. These ballots should have been rejected. The strong presumption is that they were cast by electors bribed to vote the Democratic ticket. Accepting, however, the unreasonable theory that the figures were written by the voters upon the supposition that it was necessary for them to place the number of the stub upon the face of their ballots, they were still illegal because they were plainly defaced. No better means of identifying a bribed voter, by the briber, could be devised than by permitting such numbering of the face of the ballot. An essential purpose of the law—the prevention of bribery—would be utterly defeated by counting numbered ballots, and judges of election are not warranted in going behind the defacement and presuming the motive of the voter. It seems scarcely necessary to argue the matter. The defacement in this case was self evident and the presumption is that it was willful and designed, and that its purpose was to furnish the means of identifying the parties who cast the ballots to somebody not entitled to have such evidence. The matter does not affect the result of the election, but steps should be taken to exclude these ten ballots from the official count.

THE ELECTION ON TUESDAY.

A REPUBLICAN VICTORY.

NO STATE LOST THAT VOTED FOR McKINLEY IN 1896.

Several States that Voted for Bryan now in the Republican Column.

KANSAS, NEBRASKA, WASHINGTON, NEVADA AND WYOMING RETURN TO THE REPUBLICAN FOLD.

BOTH REPUBLICAN AND DEMOCRATIC MAJORITIES REDUCED,

BUT, ALTHOUGH THE REPUBLICAN MAJORITY IN THE HOUSE OF REPRESENTATIVES IS DIMINISHED,

THE REPUBLICAN STATES HOLD SAFE TO THEIR MOORINGS,

AND FREE SILVER AND FREE TRADE ARE REPUDIATED AGAIN BY THE PEOPLE.

THE UNITED STATES SENATE REPUBLICAN BY 18 MAJORITY OVER ALL.

THE HOUSE OF REPRESENTATIVES CLOSE, WITH AN APPARENTLY SAFE REPUBLICAN MAJORITY OVER ALL.

BELOW IS A SUMMARY OF THE VOTE IN THIRTY STATES, NOT INCLUDING MARYLAND,

WHICH GIVES A REPUBLICAN PLURALITY ON THE AGGREGATE VOTE FOR CONGRESSMEN OF

NEARLY 7,000.

Carroll County Shares in the Victory by giving Baker 399 Plurality.

NOW FOR '99 AND 1900.

Elections were held on Tuesday in 42 States, either for members of the Legislature, for Congressmen, or for State officers, singly or in combinations, the voting in some States being for Governor, General Assembly and Representatives in Congress; in others for minor State officers, General Assembly and Congress; in still others for Congress alone.

The States holding elections in one form or another were Alabama, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Mississippi, Montana, Nebraska, Nevada, Hew Hampshire, New Jersey, New York, North Carolina, North Dakota, Ohio, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, West Virginia, Wisconsin and Wyoming.

A Governor and full or partial set of State officers were ballotted for in California, Colorado, Connecticut, Idaho, Indiana, Kansas, Michigan, Minnesota, Nebraska, New Jersey, New York, Nevada, New Hampshire, Massachusetts, North Dakota, Pennsylvania, South Carolina, South Dakota, Tennessee, Texas, Wisconsin and Wyoming.

Illinois, Iowa, Florida, Delaware, Missouri, Montana, Ohio, Utah and Washington elected one or more minor State officers—Treasurer, Auditor or Justice of the Supreme Court.

Twenty-three States elected Legislatures, which will be called upon to choose United States Senators. These States are as follows: California, Connecticut, Delaware, Florida, Indiana, Massachusetts, Michigan, Minnesota, Missouri, Montana, Nebraska, Nevada, New Jersey, New York, North Dakota, Pennsylvania, Tennessee, Texas, Utah, Washington, Wyoming, Wisconsin and West Virginia.

The result of these elections is such as to bring a thrill of patriotic joy to the hearts of the Republicans of this country, who rejoice not so much in a partisan victory as in the evidence afforded of the fidelity to American interests exhibited by the people, in standing by the administration against assaults of which patriotic Democrats themselves must feel ashamed.

While the Republicans of Maryland have to regret the loss of two Republican members of Congress they have the gratification of having carried the State on the aggregate vote by nearly 7000 plurality, and the Republicans of Carroll county have especial reason to rejoice, not only in having given the largest plurality ever polled for a Republican candidate in the county, but in having furnished Hon. Wm. B. Baker his plurality, for the second time, in the Second Congressional District.

Four Republicans and two Democrats will represent Maryland in the fifty-sixth Congress. They are:

First District—John Walter Smith, Democrat.
Second District—William B. Baker, Republican.
Third District—Frank C. Wachter, Republican.
Fourth District—James W. Denny, Democrat.
Fifth District—Sidney E. Mudd, Republican.
Sixth District—George A. Pearre, Republican.

I am very much pleased to state that since I took the agency of Chamberlain's medicines the sale has been very large, more especially of the Cough Remedy. In two years I have sold more of this particular remedy than of all other makes for the previous five years. As to its efficacy, I have been informed by scores of persons of the good results they have received from it, and know its value from the use of it in my own household. It is so pleasant to take that we have to place the bottle beyond the reach of the children.

TO THE PUBLIC.

Great complaint is made by the public of the poor quality of the different brands of package Coffee now almost universally sold. The people have a right to complain. At the same time they have been the principal cause of their deprivation of good Coffee by buying the trash that is now roasted and packed in papers—and declining to buy good Coffee at 2 or 3 cents per pound more than they pay for trash. The roasting of Coffee is now almost a lost art among country people. Now I have gotten up a

Roasted Coffee in Bulk—not in Packs—which I Sell at Retail at 15 CTS. Per Pound—

which I feel sure will give more satisfaction than most now sold at 25 cents. I want the public to try this 15-cent Coffee. Good Brazillian Coffees are now cheaper than they have been for 30 years—and no reason why our people should be compelled to pay 25 cents per pound for good Coffee or submit to buying the trash that is pushed at them in packs—and which if people could see in a green state—they would turn from in disgust.
