The wife of Postmaster Schaeffer, of this city, accidentally cut her left thumb nearly off, on Monday last. Dr. M. L. Bott dressed the wound.

Two ears of corn measuring 13½ inches in length, from the farm of Mr. Wm. B. Thomas, a mile south of Bird Hill, were left at this office this week. One of the ears contains 1206 grains. The farm is tenanted by Mr. Nicholas J. Henry.

Invitations are out to the wedding of Miss Jennie Carroll Hering, daughter of Mrs. Mary L. Hering and the late Granville T. Hering, and Mr. John P. Klee, which will take place at the Methodist Protestant Church, Sandyville, at 2 o'clock, Wednesday afternoon, 16th inst.

Messrs. David Englar, Jr., Israel C. Rinehart and John E. Senseney, executors of the late David Englar, sold the farm adjacent to Medford Station, at present occupied by Mr. Jesse Baile of P., and containing 81 acres, at public sale, on Saturday last, to Mr. Howard E. Myers, at $75 per acre.

In a game of football between the Western Maryland College and Westminster teams, on Saturday last, Mr. T. H. Legg, a student at the college, collided with some one with such force that his nose was fractured. Dr. M. L. Bott gave the case the necessary surgical attention.

Alfred Bruce, one of the oldest and most worthy colored men in this city, died suddenly at his home on the Washington road, near Green street, about 5 o'clock, Wednesday afternoon. He was born on the 8th of January, 1824, and was in his seventy-fifth year. He voted at the election on Tuesday. He leaves a widow and a number of adult children, who are among the prominent colored people of this city.

While Mr. Amos Myers, of Westminster district, was driving to the house of a neighbor, whom he intended to take to the polls, on Tuesday, some part of the harness became disarranged and the horse ran away. The buggy was upset and Mr. Myers and Mr. Conrad Hoffman, who accompained him, were thrown out and the former seriously hurt, his face and ear having been badly cut and his upper jawbone fractured. Mr. Hoffman was also severely bruised. Dr M. L. Bott rendered the necessary surgical assistance. The buggy was broken to pieces.

Mr. John F. Jones, son of Mr. Thos. S. Jones, of Dennings, this county, was crushed and killed by an electric wire pole, at Sparrows Point, Baltimore, about one o'clock on Thursday morning. Mr. Jones, we believe, was superintending the erection of the pole when it fell upon him with fatal effect. The unfortunate young man was about twenty-nine years old and unmarried. He was a trustworthy and excellent man and his violent death is a terrible blow to his parents, who have the deepest sympathy of all who know them. His remains will be interred in Loudoun Park Cemetery, Baltimore, to-day.

So far as numbers were concerned, the second century run of the Cycling Ramblers, of this city, which took place on Sunday last, was not a success, as only eleven of the wheelmen attempted the run over the Wrightsville course. The cause of this was the heavy rain on Saturday night and the strong gale which prevailed on Sunday morning. Of the eleven who started, nine made the century in spite of the obstacles stated. They were: W. Y. Barth, Wm. F. Long, Dohnea Nygren, Wm. J. Null, Carl Bernstein, of Westminster; Wm. Hemler, of Union Mills; Rembert Gore, of Finksburg; Herman Stump and H. E. Leese, of Manchester. Wm. N. Keefer, of Westminster, made the century over the Baltimore and Hanover course, as did, also, Herbert W. Danner, of Baltimore. The run was under the supervision of the first lieutenant of the Cycling Ramblers, Dohnea Nygren. Wm. J. Null and Carl Bernstein were the pace makers. There were sixteen entries.

Mr. Nelson Warehime, of Manchester, while driving with his wife, in his buggy, to this city, narrowly escaped a fatal accident at Cranberry Station, near the coal chute, on the Western Maryland Railroad. When he reached the crossing at the station a freight train, going west, was at the chute. The train was a long one and the caboose was near the crossing. Mr. Warehime hesitated some time before attempting to cross the track, but just as he started forward the train was backed and he failed to clear the rails in time to escape a collision. The buggy was struck and knocked down a ten or twelve foot embankment and Mr. and Mrs. Warehime were thrown out, the former sustaining considerable injury about the head and body. He was not hurt as seriously as at first supposed, and will suffer no permanent effect from the accident. Mrs. Warehime escaped with a few slight bruises. The buggy was badly wrecked. Our Manchester correspondent gives an account differing considerably from the aforegoing, which was received from a gentleman who saw Mr. and Mrs. Warehime after the accident.

Our Winfield correspondent refers to a meteor, noted by students of the Winfield Academy on Tuesday night. A large meteor was seen in the neighborhood of Hampstead and Manchester on Monday night. Two explosions of the body were noticed by those who noted it.

Pleasant Grove Church, Sandyville, was reopened on Sunday last, after having been closed several weeks undergoing repairs and improvements. It has been refrescoed, repainted, recarpeted, and otherwise repaired. The church presented a most attractive appearance. Durban & Dubbelde, of Baltimore, were the frescoers and painters. The cost of the improvements was over $200 which has been covered by cash and subscriptions received. The morning sermon on Sunday was preached by the Presiding Elder, Rev. C. W. Baldwin, D. D. Rev. S. W. Coe, of the M. P. Church, Finksburg, was also present and took part in the services. In the afternoon Rev. L. E. Dutton, of Reisterstown, preached the sermon. The services were largely attended. After a statement by the pastor, Rev. C. E. Dudrear, the management of the collection was given into the hands of the presiding elder who conducted it in a very pleasant and successful manner. The members of Pleasant Grove and of Sandy Mount M. P. Church have commenced a joint protracted meeting. Services commenced on Sunday night in the Sandy Mount Church, and are being continued this week in Pleasant Grove Church.

The Dedication of St. John's Church.

The dedication of St. John's Lutheran Church, near Brummel, on Sunday last, took place according to the program outlined in last week's SENTINEL. The day was bright and auspicious and the number of persons in attendance upon the services was far in excess of the capacity of the auditorium. Probably five hundred persons crowded the edifice, while many were unable to get inside the doors.

The opening service was conducted by Rev. P. H. Miller, of Grace Lutheran Church, this city, and the pastor, Rev. S. A. Diehl. The dedicatory sermon, a very appropriate discourse, was delivered by Rev. E. E. Blint, of St. Paul's Lutheran Church, Littlestown, Pa, and was heard with close attention by the large congregation.

The formal act of dedication was performed by the pastor, after the offertory and after it was announced that the edifice was practically clear of all financial obligation. The keys of the church, and with them the custody and care of the church property were, after the ceremony of dedication, transferred by the pastor for the building committee, to the trustees, in whose behalf they were received by Mr. Jacob Brehm, Sr., who assured the congregation that careful and faithful attention should be given in keeping the property in proper repair, &c. The Lord's prayer was repeated in concert by the congregation, led by Rev. Wm. A. Crouse, of this city, a well known retired minister of the M. P. Church, and the benediction was pronounced by Rev. Blint.

The music for the occasion was furnished by the choir of the church, under the leadership of Mr. George A. Leister.

The church was again filled at the evening service by an attentive, interested and rejoicing audience. Rev. C. M. Eyster, pastor of Manchester charge, Lutheran Church, and the pastor conducted the opening service and Rev. E E. Blint again delivered the sermon of the occasion.

It is unnecessary to repeat a description of the church edifice, the SENTINEL having given it in full last week, with illustrations. It is a matter of great thankfulness with the people of St. John's Church that they have so beautiful, convenient and attractive a place of worship, free from incumbrance, and to them the day of the dedication was an occasion to be remembered with gladness and joy throughout their lives. The preparations for the building enterprise and the consummation of the effort were accomplished through the united and harmonious efforts and liberality of the people and the church was dedicated to the service of God under most auspicious and cheering circumstances. The building committee, which had charge of and successfully conducted the work, was as follows: Rev. S. A. Diehl, chairman; Henry Trine, Jacob D. Leister, Jacob Brehm, Jr., and George W. Brown.

According to previous arrangement, the members of Hampstead Council No. 68, Jr. O. U. A. M., presented our schools with a Bible and beautiful American flag, 6x10 feet., on Saturday afternoon, at 2 P. M. The schools met at the school house and marched to the I O. O. F. Hall, where the following program was well rendered: Singing, America; prayer, by Rev. C. M. Eyster; music, by Band; reading, History of our Flag, Emma Hoffacker; singing, Red, White and Blue; presentation, by Dr. Jas. Marshall; response, Master Ralph Hoffacker; address, by Wm. Burgoon, Esq.; music, by Band; reading, Raise the Flag Over the School House, May Betts; singing, Yankee Doodle. All then returned to the school house, where the members of the order raised the flag to the top of the staff, while the schools sang "The Star Spangled Banner," and the Band rendered a choice selection. The attendance upon the part of the patrons and friends was quite creditable and quite a spirit of enthusiasm was evidenced in the frequent applause.

[illegible] town was much stirred on Saturday evening when the news was passed from lip to lip that Mr. and Mrs. Nelson Warehime had been run into by a passing train on the W. Md. Railroad at Cranberry station. The story lost nothing in its repetition until they were brought to their home, about 5 P. M., when it was found that Mrs. W. had her arm broken near the shoulder and was otherwise bruised, while Mr. W. was cut about the head and badly bruised about the body, from which both have been suffering ever since, although Mr. W. is able to move about the house. But the inward injuries are rather critical. It appears they were crossing the track while a freight was shifting next to the coal chute and the horse became frightened and backed down an embankment and threw them out, breaking the vehicle before he loosed himself. Dr. Billingslea was called and administered to their needs so that they could be brought home.

The members of Trinity Reformed Sunday School were given a surprise on Sunday afternoon. After the opening exercises the infant department entertained the school by a well prepared program of recitations, class exercises, solos and singing, in the lecture room. When through, the little ones were taken in groups to the infant room, where to their own astonishment they were seated in infant chairs, and when the glass partitions were opened the school was also surprised to see them thus seated. The chairs were a present from Dr. J. H. Sherman, in honor of his little 5-year-old daughter Corinne. They reflect much credit upon the donor for his charitable act, and as a cup of cold water has its reward, given in the spirit of the Master, so may this gift prove to him in his declining days, when hoary headed he sits in ease and retirement, and a noble young man or an ideal mother can grasp him by the hand and tell how these little chairs instilled an interest to be in their places where they learned those things that now made them noble good and happy. May the doctor have many such returns of thankfulness for his generous gift.

Rev. S M. Roeder had an overflowing congregation at his communion services on Sunday morning, at the Lineboro church, where on Saturday previous he confirmed 11 young persons at the preparatory services and received one adult baptism.

Mr. A. E. B. Myers is having a new porch placed in front of his home on N. Main street.

Much sympathy has gone out to our old friend, Mr. John Kelbaugh, living 1½ miles south of town, who was unfortunate in falling off of a load of fodder and breaking his arm in two places. The same arm he had broken a year or more ago in the Greenmount creamery, by being caught in a pulley. He is otherwise bruised about the head and face, but came to the polls on Tuesday and voted for Mr. Baker.

Another old citizen was also in town on Tuesday in the person of Mr. Frederick Berwager, with a broken arm. He was visiting at a niece's near Hanover, when he fell down a flight of stairs, and broke the arm. Mr. B. is nearing the four score and ten mark, and has our deepest sympathy. He offset Mr. Kelbach by voting for Mr. Tippett.

Several of the Academy students noted on Tuesday night about eleven o'clock the falling of a large meteor. The direction was due north and the declination about 20 degrees. The nucleus probably fell within the bounds of Carroll county, and perhaps near Westminster. Some one suggested that it might have been the sweeping Baker majority from Franklin district.

There has been but little of real interest aside from the election in these parts within the past week.

Last Sabbath morning was the time appointed for the rededication of Messiah Lutheran Church. The church which is a concrete structure had been plastered outside and treated to a new coat of paint both inside and out. The entire walls have been painted in a combination of beautiful shades and tints which give it a very neat and attractive appearance. The cost of the repairs was nearly two hundred dollars, about fifty of which had to be raised before the ceremony of dedication could be proceeded with. The morning dawned somewhat gloomy but before the hour for meeting had arrived the clouds had been scattered by the wind and by the time the hour for services had arrived the church was filled to overflowing. The services were opened by the choir singing an anthem entitled, "He that Dwelleth." The pastor, Rev. J. L. Nicholas, read the liturgical exercises, and Rev. A. S. Hartman, D. D., of Baltimore, led in prayer. Brother Hartman also preached the sermon from Haggai 2:9. In a short time the funds necessary were secured by voluntary subscription. During the collection the choir sang "Praise Ye the Lord." The pastor then proceeded with the dedicatory services, the long meter doxology was sung and the congregation was dismissed. The choir was very materially assisted by Messrs. W. W. Jenkins, on the violin, and J. Maurice Hess and Alvin Conaway, with cornets. Services were held at night and have been continued during the week.

As a result of the election, we feel in such good humor that we can't think of anything appropriate to reply to "Winfield," and our brother seems to be so politically inclined to do good that we will forgive or look over all his other weak qualities.

Old Freedom's Redeemed! Who would have thought it? Not I, says "Tip." Well, its only a turn of 252 since '97. Nick, you know, is a baseball umpire, and he umpired the game the right way this time.

Mr. John Bushey, son of Mr. Luther M. Bushey, brought to this place, recently, an ear of corn measuring 15 inches in length. Multiply by 8, add 7, and it gives the Republican majority of this district.

We did not get the telephone in before the election, but we get the news just the same.

Nick told the boys to vote as they —— pleased. Well they did it.

Warner-Hoffman.

Miss Sallie Hoffman, daughter of Mr. William H. Hoffman, 627 North Calhoun street, Baltimore, formerly of Uniontown, was married on Tuesday evening, to Mr. Theodore E. Mendelssohn's wedding march was played by organist, Perry C. Orem, as the bridal party entered the church.

The bride's costume was of brown, the waist being of velvet and the skirt of corduroy, trimmed with point lace. Her hat and gloves corresponded, and she carried Marechal Neil roses. The ushers were: Messrs. Frank Hoffman, brother of the bride; Clyde Kepner, Harry Caskey and Edward E. Shaffer, of Hanover, Pa. Mr. and Mrs. Warner left for a trip to New York and Boston. Their future home will be at New Oxford, Pa.

A Drive to Glen Rock, Pa.

Following is the account of a drive to Glen Rock, Pa., by our Manchester correspondent, to which allusion was made last week:

A drive to Glen Rock, Pa., on Saturday, with just enough of a biting frost in the early morning, tempered by a bright October sun, to make driving delightful. After leaving the turnpike a mile north of town you soon are at the headwaters of the Gunpowder, which winds along the wide spreading meadows, until caught up in a race that gives power to the Warner mill. But another mile's drive brings you to a summit that overlooks the Wentz Valley for at least 6 miles, bounded on the north by the old Dug Hill and on the south by a high broken ridge that at places seems to vie with the northern boundary for eminence. The panorama before the stranger is quite striking, and in case he is cold, or longing for a stimulant, a few hundred yards from this viewing point to the foot of the hill the longing can be satisfied at the distillery, soon to be run on full time. But passing on down the valley you see thrift and improvement all along the line, but none can boast of more improvement than Mr. Oliver Wentz, who has a home of fine new buildings, with a former neglected meadow turned into bottom land producing crops second to none, with a complement of rich productive fields. Adjoining is his father's farm, with much improvement since his occupancy. This brings us to the Tracy roller mill, converted from the old paper mill to that use, which, under the superintendence of Mr. Newton Bowers, is giving the community A1 flour. Soon we pass the Lazarus Church and are in full view of Lineboro, a business village on the railroad, with 3 stores, hotel and cigar factory. Here we pass Mason and Dixon's line and are upon Pennsylvania soil, with a stretch of fine farms such as any section could be proud of—containing 40, 50 or 60 acres of as fine growing grain as the autumn's sun ever shone upon. Large herds of fine cattle indicate that the dairy business is thoroughly understood and is a medium through which the bank accounts are increased year after year. Most of the herds we noticed have been increased during the last weeks from droves of stock cattle, to be stall fed during the winter. Mr. Forry has 65 head, Mr. Krug 50, and others along the route 40, 30, &c., to which the large crop of corn will be fed as well as the large stacks of provender around the barns, which no doubt is the secret of the success of this farming community. I doubt if any other in our section can boast of more improvement in a score of years. We pass the Stick homes, which are also in the swim in improvements and thrift, and so all along as we near the Northern Central Railway. A number of the homes are built of stone, one we noticed bearing the date of 1797, with quite a number of the same style, and most of these have been kept in the same families for more than a century. When at last Glen Rock is reached we find a town among the hills, and I doubt whether there is another this side of the Alleghanies that can show more energy and perseverance in building than this town, now claiming a population of 1200. It is in a hollow, among the hills and also on the hills. At one place we noticed where a home is reached from a level with the railroad by about 75 steps and along Hanover street many fine homes have 15 and 20 steps to reach the pavement. Yet it is a business place. It has a national bank, two printing offices, foundry and machine shop working 60 hands, a furniture factory with 50 employees, a woodenware factory, sash factory, woolen factory, sewing machine factory, wagon factory, large roller mill and a fine complement of stores and two hotels. All these industries run on full time, distributing many hundreds of dollars each month to the employees. Our district is represented in the business and professions of the town. The Lutheran, Reformed, Methodist, and Evangelical denominations have fine churches. The last named celebrated its 50th anniversary last week. We were royally entertained by Mr. Bert Bubb and family during our stay and had quite an object lesson on what grit and perseverance can do to overcome obstacles along a trunk line railroad.

"Saved Her Life."

MRS. JOHN WALLET, of Jefferson, Wis., than whom none is more highly esteemed or widely known, writes. "In 1890 I had a severe attack of LaGrippe and at the end of four months, in spite of all physicians, friends and good nursing could do, my lungs heart and nervous system were so completely wrecked, my life was despaired of, my friends giving me up. I could only sleep by the use of opiates. My lungs and heart pained me terribly and my cough was most aggravating. I could not lie in one position but a short time and not on my left side at all. My husband brought me Dr. Miles' Nervine and Heart Cure and I began taking them. When I had taken a half bottle of each I was much better and continuing persistently I took about a dozen bottles and was completely restored to health to the surprise of all."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address,
