My dear father I have been waiting anxiously since my letter to you by Rogers for an answer & do hope if there be not one on the way I may hear from you by return of mail in relation to my Western settlement every day seems to render it more & more necessary & it would afford me infinite satisfaction to have the opportunity of a personal conference on that subject & I think you would be satisfied that there is but the one course for it satisfactory as it I am sure would be to both you & myself & all others connected Please write me forthwith Yr affectionate son
