Baltimore March 28. 1836

My Dear Sir,

Your favor of the 14th was duly received and I now reply to it. I have not seen Mr Sinclair since your letter received and therefore cannot say what will be his determination but this I may say by way of supposition. As he has a full blooded bull of the Improved Durham Short-horn already of his own I do not think that he would be willing to take another.

I have an inquiry about your 2 yr old Heifer as also about your Milk-white heifer, and am instructed to ask you what will be the very lowest sum you will take for each, deliverable in Fredericktown to be transported thence Westward. In addition to this information I am requested to ask you to furnish the name and pedigree of the Bull of Mr Barnitz which got the Milk White heifer. Write to Mr Barnitz and he will send it to you, and let me have it as soon as possible as the gentleman is anxious to know.

Yrs truly

Dear Sir,

Mr. Kyle has offered us 85 Guineas for Your Cow, but we think the price too low. Please give us Your ideas and the probable cost of them by Mail.

With respects we remain
