My dear Sir

You have above a receipt for the sixty dollars due at three months. We are all here in good health and hope this will find you the same as also all your family. As soon as I get my little crop of oats secured I intend going the rounds among my old neighbors in Carroll County, and if I live to realize it depend on it you shall not be forgotten at least for one week. I am quite alone with Wm & Jane they being in the City. Excuse haste

Dear Sir.

I rec'd your letter dated 17th instant inclosing one hundred & twenty dollars. I have resigned my agency for Fr. County. I have paid into the Fr. C. Bank the amt. rec'd deducting therefrom 26 cents the amount paid for postage on the letter and had it credited therefor you. I must therefore beg to refer you to the Fr. C. Bank or the Levy Court of the County for all further correspondence on the subject. Mess.rs Schley & myself have divested ourselves of all agency in the matter — I would gladly lendyou a purchaser could I do so. for P. sell out all I have myself if I could at prices even now going — believing there are brighter days ahead. — unless Locofocoism is laid prostrate. whether there is virtue & intelligence enough left in the people to do so time only can determine.

Respectfully Yr. obt. Servt. &c.

Dear Friend

When Bro. Breckenridge wrote you that we were intending to comply with your invitation & visit your region, I added a postscript that you need not send for us to Westminster unless we wrote you to that effect; we then had a prospect of the loan of a Gig — but are disappointed in said expectation, therefore shall have to hire a carriage to convey us to Freedom, and depend on some friend to forward us to Westmr.

We shall therefore be dependent on you to convey us from there to your house. — If an appointment has been made for Bro. B. to preach at W. — of course we shall not be ready to go from there untill the following morning.

Since writing the above, yours of the 14 is received — and with the blessing of God we will endeavor to comply with the arrangements therein announced; so as to be at Westmr. on Tuesday.

With much christian regard to Mrs. W. yourself and family, begging you to remember us at a throne of grace — I remain

Yours in Christian Bonds
Stephen Williams
