Batto. Oct. 11. 37

Dear Sir.

Your favor without date mailed the 7th inst. is before us. Since ours of May 10. in answer to yr. enquiries about wool, there has not been any enquiry for the article. Several fine lots of Ohio wool are in the market and offered for sale at 37½ cts, but no one is disposed to purchase even at that low price.

The price above would not be satisfactory to you - and we cannot now give you any encouragement of a definite time when it will be probable that a higher price can be obtained.

Yours respectfully

Lyman Reed & Co.
