Mr C Birnie

Dear Sir/

Your letter has been received and in reply thereto, am sorry to inform you, that at this time, we are unable to accomodate you, in consequence of much of the circulation being sent home to us from Baltimore — The notes through the Country Merchants find their way to Baltimore through the busy fall season, and we have to be prepared punctually to meet them, which at this time must necessarily prohibit us from accomodating our friends, which we much regret.

Yours Respectfully

Jacob Reese

Sir

On next monday week our court will commence its Session. Upon that day or on the Saturday before I should be glad to see you in this place with a view of determining what course we shall pursue in relation to the suit of the Frederick County Bank vs you or the security of your son. If you mean to plead to the jurisdiction of this court it will be necessary for you to be here for it will be necessary for your affidavit to be affixed to the plea I think it will be best for you to come up & then we can confer upon the subject & you can take that course you may deem best. But I cannot proceed without your personal presence for the reason I have assigned. In relation to your sons property I will confer with you more fully when I see you

In haste

I am your friend &
