Baltimore June 2d 1838

Mr C. Birney

Dear Sir

You have letter with the Cow & Calf reach home this morning, ~~[illegible]~~ the cattle in good health & give satisfaction — The Cow for Doctor Buckler was left at Griffiths Tavern as you desired; ~~—~~ Sam. Shoemaker rode out & appised him she would be left there, & requested his attention to her &c &c. Enclosed you have our check for Sixty five Dollars endorsed by Teller of Bank of Balto; you can get the money for it at Westminster, after being Endorsed by you as it is to your order.

I am very sorry indeed, to learn that you were so much indisposed, and hope this will find you convalescent at least — I hope the Ladies of your family continue well; — my family enjoy good health.

If Bettehoover had known I was going to send for one of your heifers, he would have taken the white 3/4 blood from my description of her & have had it brot by Bartholomew. I shall keep this letter open

Dear Sir

The whole amount of sales made by the Trustees, of Mr Reids real estate, was, as appears by the Auditors report $10,261: 25½ — I have long since paid away to creditors as appears by receipts in my possession the whole amount of sales to wit $10,261: 25½ — Basil Crapster's last bond was for $1558: 92 bearing interest from date viz from 6th September 1822. — on the 6th September 1824. Crapster paid me $1300 — this said last bond principal & interest amounted, on the 6th September 1824 to the sum of $1745: 99 — when he paid me $1300 — leaving $445: 99 due
