Dear Sir.

Your returned favor of 29th ult. is before me and contents noticed.

You will see by acc^t of sales annexed that, I have sold your wool for the offer which I had when I last wrote you, it being the best I could do for you. I made every effort to get a better price but could not do so, and I doubt whether there will be a time this year that I could have obtained more for you.

The nett acc^t of the sale is Seventy six 96/100 dolls. for which you have Withheld, Brothers note in my favor for the same.

All which I hope on examination will be found correct and also prove satisfactory.

Yours very respectfully
Lyman Reed
