THE VOICE OF THE HILLS,

Peace is the message of the hills,
A peace that broods
Upon their mighty heads, and fills
Their forest solitudes;
The leaping mountain waterfalls,
As each unto the other calls,
Blend in a murmuring noise
Whose silver rushing music stirs
The petty play of human moods,
And bids the candid soul rejoice
In the deep secrets of the woods,
The majesty of Nature's voice.

Good Manners.

From the Normal Instructor.

Courtesy and consideration for others are demanded of a gentleman under all circumstances, and especially in trying situations. Good manners show themselves in respect for women in work and deed; in manly regard for the feelings of equals; in prompt and cheerful submission to disappointment, and in honor, kindness, firmness and justice toward the helpless. Vigorous health, great physical strength and the excitement of competition frequently render men brusque, uncivil and even boisterous in their manners. The true athelete, however, will never lose sight of the necessity for unshaken good temper and perfect urbanity and gentleness of manner, no matter how great the heat of the strife or the magnitude of the provocation. It is in the critical moment that the chance is given him to show whether he is a brute or a gentleman.

He—"Is there anything in the world that bores you more than flattery?" She—"Only one thing that I now think of." He—"What is that?" She—"Not to be flattered."

Secret of Beauty
is health. The secret of health is the power to digest and assimilate a proper quanity of food. This can never be done when the liver does not act it's part.
Do you know this?
Tutt's Liver Pills are an absolute cure for sick headache, dyspepsia, sour stomach, malaria, constipation, torpid liver, piles, jaundice, bilious fever, biliousness and kindred diseases.

Wall Paper!
Wall Paper!

I wish to call the attention of my friends and the public in general to the fact that I now am ready to show one of the
Finest and Cheapest Lines of
WALL PAPER
ever exhibited in this county, bought direct from the factory, in full bundle lots, so you get it only from second hands, no two or three profits coming off it. Of course the consumer pays them all. Sam Jones says it takes a pointer pup nine days to get his eyes open. I have known some people to get their's open in fifteen minutes in a wall paper deal. They thought it was two pieces instead of one, and the border they did not understand, &c. That is always their plea. Remember I am the only paper hanger in the county that carries a stock and don't have the expense of running a store, therefore I have no opposition. If you think I can't save you money, come and see me and bring size of your room, or send size by mail and I will tell you what your job will cost, and send samples and convince you that Gladhill's is the place to save twenty-five cents on a dollar on all Wall Papers.
