It has been impossible to obtain full reports of registration in this county up to this date. Thursday, 12th inst., was the linen wedding anniversary of our genial friends, Mr. and Mrs. Theo. F. Englar, near this city. It was also the occasion of a surprise to that estimable couple. Without the remotest idea on their part that anybody had a recollection of this event, about nightfall twenty-five or more ladies and gentlemen, each and all supplied with the good things necessary for a good time, suddenly dropped in upon them. By weight, however, at 60 pounds to the bushel, which gives the correct measure, the actual amount was 1230 bushels, an average of 20½ bushels per acre. When estimating the yield Mr. Knox asked whether there was a field of 60 acres in the county that could make a better showing. He now extends his inquiry to the State. Our entire neighborhood was shocked last Saturday morning when it became known that Dr. E. B. Simpson, of this place had committed suicide by shooting himself with a revolver. The ball entered behind the right ear and lodged in the skull above the left eye. The act was committed at 6 o'clock in the morning, in his office, while lying on his lounge on which he had slept during the night. He left nothing to tell the cause of the act. Dr. Simpson was well known throughout this neighborhood, having lived here 33 years. He was a good physician, kind and highly respected by all his patrons. He was a very intelligent man with a bright intellect, but, alas! he became the victim of strong drink. His career is ended and his life has passed into history. His remains were taken to Liberty, Frederick county, the home of his family, and interred in a cemetery at that place. Dr. Simpson was unmarried.

[In addition to the account given by our correspondent it may be stated that Dr. Simpson was about sixty years old. He was a son of the late Warfield Simpson, near Liberty-town, and a brother of the late Dr. Thos. W. Simpson, of that place, with whom he studied medicine, graduating afterwards at the Maryland University, School of Medicine, in Baltimore. He was a brother of the first wife of Ex-Justice G. W. Dr. Simpson's office was in Hesson's Hotel, Harney, at which he boarded, and it is said that a prospective change in the proprietorship of the hostelry had had a depressing effect upon him. Dr. Simpson was at one time a member of the Piney Creek Presbyterian Church. Politically he was a Democrat, but he did not take an active part in politics.—Ed.]

On Monday evening Mr. L. M. Bushey loaded his wagon with wood and let it stand by the road side preparatory to making an early start on Tuesday morning to market with the wood. Some time during the night some miscreants removed the nuts from the spindles and also took off the single-trees and other hitchings and threw them away. The perpetrators of such an act of vandalism deserve to be punished to the full extent of the law. If only the nuts had been removed it might have been the cause of a very serious accident, but fortunately, when the hitchings were gone, in searching for them the absence of the nuts was discovered and Mr. Bushey was enabled to put things to rights before starting, so that no one was hurt.

Gosnell Items.

The recent heavy rains have played havoc here, in many instances, by washing out newly sown grain fields. Some farmers who were ready to sow their grain have been put back, and some have not finished sowing yet.

Mt. Olive Sunday School festival, heretofore announced to be held the 21st of this month, has been postponed on account of the protracted meeting being in progress at this place. Further announcement will be made later.

Miss E. Stella Gosnell, of Day, is visiting the Misses Buckingham, of this place.

Mr. J. T. Gosnell and family expect to spend Saturday and Sunday next with Mrs. Gosnell's parents at Johnsville.

Some of the young folks of this place attended the Hagerstown Fair.

Mr. William Dorsey and wife spent Sunday last with Mrs. Dorsey's mother, at this place.

WORKING NIGHT AND DAY

The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. Only 25c per box. Sold by A. H. Huber and Joseph B. Boyle, Druggists, Westminster.

MILLIONS GIVEN AWAY.

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten millions trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call on A. H Huber or Joseph B. Boyle Druggists, and get a free trial bottle. Regular size 50c and $1. Every bottle guaranteed, or price refunded.

BRAVE MEN FALL

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache and tired, listless, run down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything and have a new lease on life." Only 50 cents, at A. H. Huber's and Joseph B. Boyle's Drug Stores. Every bottle guaranteed.

On the 10th of December, 1897, Rev. S. A. Donahoe, pastor M. E. Church, South, Pt. Pleasant, W. Va., contracted a severe cold which was attended from the beginning by violent coughing. He says: "After resorting to a number of so-called 'specifics,' usually kept in the house, to no purpose, I purchased a bottle of Chamberlain's Cough Remedy, which acted like a charm. I most cheerfully recommend it to the public." For sale by W. Scott Zepp, Druggist.

"I wish to express my thanks to the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy, for having put on the market such a wonderful medicine," says W. W. Massingill, of Beaumont, Texas. There are many thousands of mothers whose children have been saved from attacks of dysentery and cholera infantum who must also feel thankful. It is for sale by W. Scott Zepp, Druggist.

During the winter of 1897, Mr. James Reed, one of the leading citizens and merchants of Clay, Clay Co., W. Va., struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whisky in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Pain Balm is unequaled for sprains, bruises and rheumatism. For sale by W. Scott Zepp, Druggist.

PLAYED OUT.
