WM. Y. FRIZZELL,
Chairman Executive Committee.
C. W. MELVILLE, Secretary.

Some interesting statistics have been collated concerning the consumption of raw cotton in the United States during the last ten years. These statistics show a marked and regular increase during the periods when the Republicans were in power in the National Administration, and, with the exception of a single year, as marked a decrease when the Democrats were in authority. For the years ending August 31st, 1890 to 1899, the amount consumed was as follows: 1890, 2,390,959; 1891, 2,632,023; 1892, 2,876,846; 1893, 2,431,134; 1894, 2,319,688; 1895, 2,946,677; 1896, 2,504,972; 1897, 2,847,351; 1898, 3,443,581; 1899, 3,589,494. The Harrison administration covered the years 1890 to 1892, the years 1893 to 1896 were in Cleveland's second administration, and the years 1897 to 1899, part of McKinley's administration. As cotton is the staple product of the South it can readily be seen how that section has been benefitted in this one item by the policy of the Republican party. Coupled with the increase in manufactures and in other material interests it is also easy to see what great advantage has accrued to the South through the maintenance of the policy which has fostered these results. Yet the South is ready to vote away her prosperity and return to the dry rot inevitable whenever the Democratic party obtains power in the country.

It transpires that in their anxiety and hurry to get possession of the school boards of this State the Democrats of the Maryland Legislature jammed a bill through without taking the precaution to repeal the section of the old law which required the organization of the boards to take place August first. This little oversight defers the impending change of commissioners to the date named and prevents Democratic control for three months longer, a small matter to be sure, but a decided disappointment to the Democracy. The fact that the new commissioners will not take office until August 1st seems to be officially settled, School Examiner Farrar having received from Secretary of State Bateman a letter in which it is stated that, "under the School Commissioner law passed at the session of 1900 the school commissioners take office on the first day of August." Examiner Farrar has also received a letter from Attorney General Rayner, in which he states that the provision of the old law, requiring the organization of the boards August 1st, was not repealed by the new law. General Rayner has given Governor Smith an official opinion to the same effect. So the Democrats who have received appointments as commissioners, and those who expect preferment at the hands of the boards, must exercise the grace of patience awhile longer. The Republican appointees will not be sorry for the delay.

CONDITIONS VS. PREDICTIONS.

A recent issue of the El Paso (Texas) *Herald* contains a brief summary of predictions made in that locality during the Presidential campaign of 1896, in contrast with actual conditions in 1900, which ought to impress people of all political beliefs with the patent fact that prosperity has followed in the wake of Republican success. The *Herald* says:

"Some one predicted in 1896 the following:

A vote for McKinley means more tramps.

McKinley's election means:

Ten-cent corn.
Twenty-five cent wheat.
Eight cent oats.
One dollar per ton for hay.
Five cents per pound for butter.
Three cents a dozen for eggs.
Two cent hogs.
One and one-half cents for fat cattle.
No money to carry on business.

The 'Hay Trade Journal' now shows how weak these forecasts were by setting forth the present condition of the country:

Tramps at work.
Forty-one cent corn.
Eighty-cent wheat.
Thirty-five-cent oats.
Twenty-seven-cent butter.
Twenty-five-cent eggs.
Four and one-half-cent hogs.
Six and one-fourth cent cattle.
Twenty-eight-cent wool.
Eighteen dollar per ton hay.
Mills running overtime.
Wages advanced.
Bushels of money, good in any part of the world."

Party at Watersville.

Friday evening, 13th inst., a very enjoyable party was given at the hospitable home of Mr. A. Shipley, near Watersville. At an early hour the guests began to arrive and soon quite a company had gathered. The evening was spent playing parlor games and in social conversation. At 12 o'clock all were invited to the dining room to partake of the refreshments which were served in abundance and to which all did ample justice, after which the young folks bade the host and hostess goodnight and returned to their respective homes feeling they had spent a most pleasant evening. A Surprise Birthday Party.

On Saturday evening, April 14th, the residence of Mr. Calvin Starner, Sr., was the scene of a pleasant birthday surprise party in honor of Mrs. Starner's 54th anniversary. While Mrs. Starner was engaged in reading, unconscious of any surprise being prepared for her, she was startled by a noise in the yard and upon going out was greeted with a shout recalling to her mind that it was the 54th anniversary of her birthday. It was not long until the guests entered the pleasant home of which they took full possession and prepared a supper which was served at 8.30 o'clock, and consisted of oysters, ham, chicken, pickles, coffee, cake, banannas etc., and to which, it is needless to say, all did ample justice. Mrs. Starner received a handsome Morris reclining chair as a gift from the family. The evening was spent in social conversation, music, etc. At eleven o'clock the guests departed to their homes having spent a delightful evening and wishing Mrs. Starner many more happy birthdays. Among those present were: Mr. Calvin Starner, Sr., and wife, Mr. Charles Starner, wife and two children, Annie Kate, and Charles, Mr. Jacob Starner, wife and three children, Paul, Anna and Willie, Mr. Holly Dell, wife and son Calvin, Mr. Calvin R. THE BEST IN THE WORLD.

We believe Chamberlain's Cough Remedy is the best in the world. A few weeks ago we suffered with a severe cold and a troublesome cough, and having read their advertisements in our own and other papers we purchased a bottle to see if it would effect us. It cured us before the bottle was more than half used. It is the best medicine out for colds and coughs.—The Herald, Andersonville, Ind. For sale by W. Scott Zepp, Druggist, Westminster.

THAT THROBBING HEADACHE

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for Sick and Nervous Headaches. They make pure blood and build up your health. Only 25 cents. Money back if not cured. Sold by Huber and Boyle, Druggists.

MILLIONS GIVEN AWAY.

It is certainly gratifying to the public to know of one concern which is not afraid to be generous. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds, have given away over ten million trial bottles and have the satisfaction of knowing it has cured thousands of hopeless cases. Asthma, Bronchitis, La Grippe and all Throat, Chest and Lung diseases are surely cured by it. Call at Huber's and Boyle's Drug Stores, and get a free trial bottle. Regular size 50c and $1.00. Every bottle guaranteed.

REMARKABLE CURE OF RHEUMATISM.

KENNA, Jackson Co., W. Va.

About three years ago my wife had an attack of rheumatism which confined her to her bed for over a month and rendered her unable to walk a step without assistance, her limbs being swollen to double their normal size. Mr. S. Maddox insisted on my using Chamberlain's Pain Balm. I purchased a fifty-cent bottle and used it according to the directions and the next morning she walked to breakfast without assistance in any manner, and she has not had a similar attack since.—A. B. PARSONS. For sale by W. Scott Zepp, Druggist, Westminster.

SPREADS LIKE WILDFIRE.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist, of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years. You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, rundown man or woman. Price 50 cents. Sold by Huber and Boyle, Druggists.

In almost every neighborhood there is some one whose life has been saved by Chamberlain's Colic, Cholera and Diarrhoea Remedy, or who has been cured of chronic diarrhoea by the use of that medicine. Such persons make it a point of telling of it whenever opportunity offers, hoping that it may be the means of saving other lives. For sale by W. Scott Zepp, Druggist, Westminster.

A HORRIBLE OUTBREAK

"Of large sores on my little daughter's head developed into a case of scald head" writes C. D. Isbill, of Morgantown, Tenn., but Bucklen's Arnica Salve completely cured her. It's a guaranteed cure for Eczema, Tetter, Salt Rheum, Pimples, Sores, Ulcers and Piles. Only 25c at Huber's and Boyle's Drug Stores.

FOLKS

WHO REALLY KNOW THIS STORE

Do not think of it merely as a place of Sale, a place to get needed things; it is that of course, but is more—a fashion Show where new things are first exploited; a place where you are as welcome to see as to buy; a place where you are sure to be satisfied, for money is quickly returned when you prefer.

No Specious plea or argument is required to bring you here. Acquaintance with our methods has proved their advantageousness to you, and so you come—will continue to come. Doesn't it pay you well?

THIS STORE IS NOW AT ITS BEST!

SUPERB MILLINERY.

There is a touch of elegance about our Millinery that appeals to very careful dressers. Expensive? Not necessarily. Some of the richest things that Paris conjures are shown—but we price them fairly. There is equal elegance in the product of our own workrooms. But there is distinctive, satisfying style in the

TRIMMED HATS at $4.95.

You'll see Hats like them, at $10.00 and $12.00. Many milliners think we're unwise not to get the higher prices for ours.

Dress Goods and Silks, Ladies' Tailor Made Suits BID YOU WELCOME.

Both of these very important departments of the store are in readiness to supply the new spring costume. That we are better prepared than ever to serve you is apparent on all sides the moment you enter the Dress Goods and Suit section.

If, however, it is necessary to make any changes, we have a tailor of 25 years' experience to look after this work.
