Gentlemen

London 12 May 1755

Our last was the 17th ultimo Capt Hall, Copy thereof comes herewith, by whome sent you in a Trunk marked & containing £6000: Bills of Credit for the Paper Currency of Maryland.

With this comes the Acct of that acct to this time by which appears that there now is £19500: — Capital Stock & £165:1: Cash for acct of the Paper Currency of your Province in the Bank of England, & in Testimony of the Stock of £19500: herein comes a Notary Publick Benj Borinet Attestation thereof.

You will observe since our last that having money sufficient we purchased £1500:. Stock, & is included in the above Sum.

Herein also comes Mr Hunks Acct Current of Sundry petty receipts & payments by him to this time & the ballance is £63:19:10 due from him, carried to a new acct with him, with your Province.

We have but one bill of Exchange unpaid in our hands & that is James Somervell on Buchanan, Porter & Co in Glasgow for £38:3:9 which is not come before this Post. We are
