You are to be back at this Place, as early as possible in March, and if during your Cruize, you should be in real want of Water, Provisions or Stores, you are to supply yourself at the most convenient Port on the Continent; as your endeavours to reach this Harbour during the severity of Winter would probably be fruitless.

Dated onboard his Majesty's Ship Northumberland in Harbour 7th November 1761.

Colville

Captain Adams, Commander
of his Majesty's Ship the
Diana.

By Command of his Lordship
