I therefore Desire & Require of You as soon as possibly You can to get Intelligence how such Boundaries have been or are settled by the said Commissioners with regard to Lord Fairfax & his Grant; and at the same time if Opportunity serves You, You may communicate to L^d: Fairfax that I am very desirous of settling proper Limits conclusive between Him & Me, in regard to My Province of Maryland & His Grant in Virginia. And in the mean time You must make & have a good Look out, & Warning given to such Persons as shall venture to settle on such disputed Boundaries, between My Province of Mary Land & the Province of Virginia under the said Grant to Lord Fairfax &c.
