Why Not Cure Your Cough or Cold?

WESTMINSTER, April 10th, 1899.

MR. JOS. B. BOYLE:

Dear Sir:—For many years I have suffered intensely, on taking cold, from a very troublesome cough, for which I have used a number of various remedies, and obtained but TEMPORARY RELIEF. During the past Spring I was again troubled with the same cough, and through a friend was induced to try YOUR Pectoral Syrup, which not only gave almost INSTANT RELIEF, but a PERMANENT CURE. It gives me great pleasure to say that I believe it to be the best remedy I ever used for the purpose for which it is recommended. Hoping that any person afflicted as I was may be fortunate enough to give it a trial, I am, Truly yours,

EDWARD LYNCH.

Wall Paper! Wall Paper!

I wish to call the attention of my friends and the public in general to the fact that I now am ready to show one of the

Finest and Cheapest Lines of WALL PAPER

ever exhibited in this county, bought direct from the factory, in full bundle lots, so you get it only from second hands, no two or three profits coming off it. Of course the consumer pays them all. Sam Jones says it takes a pointer pup nine days to get his eyes open. I have known some people to get their's open in fifteen minutes in a wall paper deal. They thought it was two pieces instead of one, and the border they did not understand, &c. That is always their plea. Remember I am the only paper hanger in the county that carries a stock and don't have the expense of running a store, therefore I have no opposition. Is you think I can't save you money, come and see me and bring size of your room, or send size by mail and I will tell you what your job will cost, and send samples and convince you that Gladhill's is the place to save twenty-five cents on a dollar on all Wall Papers.
