Sir,

Anne Arundel 3d. December 1750.

Hawkins Downes a person re-elected an Inspector for Pemberton's Warehouse in this Co.ty refuses to serve; & Christ. Thomas recheson for Brownes Warehouse & who accepted it, is lately dead. And tho I believe in those Cases the Law does not direct the Sheriffs to give Notices to the Pl.ts of the Council, yet as the Publick must suffer unless I took this Freedom, I doubt not you will readily pardon me; and I hope Comms may (with such Dispatch as is consistent the Governors Pleasure & the publick service) be made out to some others in the Vestry's Nomination, to serve in their Stead. I am respectfully

Sir, Y.r most obed.t Serv.t
