To

all officers employd in raising of Recruits for any of His Majesty's Regiments in North America —

It is His Excellency General Shirley's orders, - If amongst the indented Servants you may have enlisted, any of them are willing to return to their Masters; that you are to destroy their attestations; provided the Masters to whom such Servants belong, do furnish an able bodied man fit for the King's Service, in lieu of every Servant they get back —
