WESTMINSTER, - MARYLAND.

W. L. W. Seabrook, - Editor.

Entered at the Postoffice at Westminster, Md., as Second-class matter.

SATURDAY, JANUARY 12, 1901.

On Monday afternoon, Jan. 7th, Mr. D. Raymond Danner, the son of Capt. Edward Danner and Rebecca Danner, of Unionville, Frederick county, died at the home of his parents, after an illness of a few days, in the 31st year of his age.

Mr. George A. Buckey, one of the oldest engineers, in years and service, on the Western Maryland Railroad, died at his home in Williamsport, with pneumonia, on Tuesday night, aged sixty-one years. He leaves a widow, four daughters and one son.

At a meeting of the stockholders of the Baltimore and Harrisburg Railway Company, held in Hanover, Pa., on Wednesday, the following officers were elected for the ensuing year. President, Capt. A. W. Eichelberger; directors, J. M. Hood, C. W. Slagle, Reuben Young, Col. John C. Legg, R. M. Wirt, L. P. Brockley, H. L. Young, John A. Swope, J. N. Slagle and George W. Albaugh.

The funeral services of Rev. Wm. G. Holmes were held in the Methodist Protestant Church at Mardela Springs, on Monday, and his remains were interred in Mardela Springs Cemetery. The ministers who participated in the services were: Revs. A. W. Mather, George W. McCready, B. W. Smith, J. W. Simpson, J. T. Ewell, D. D., and J. H. Atkinson.

The Boers in South Africa are becoming very bold and are giving the British no end of trouble by attacking them at every opportunity. Several British posts were attacked on Sunday, one officer and twenty men killed, three officers and fifty-nine men wounded. The Boers, it is said, were repulsed, but the very fact that such attacks are becoming common, indicates that the sturdy Boers are not yet thoroughly whipped, and England may finally find that the effort to subjugate them is a hopeless one.

All efforts to resuscitate the United Milk Producers' Association of Baltimore City, or to organize another co-operative body of milk producers appear to have been unsuccessful. The Farmers' Dairy Company, which began business about two weeks ago, after ten days' experience concluded to abandon the project and has appointed Mr. Wm. B. Crowther to wind up its affairs. The company soon discovered that the drivers employed were looking out for their own interests only, and that the routemen were going into business on their own account, and it was, therefore, promptly decided to go no further with the experiment. The whole movement, which was originally inaugurated for the purpose of protecting the milk producers of the country from the exactions of the Baltimore dealers, has proved unfortunate. There are some pretty heavy losers among the milk shippers of this county, and probably those of other counties have fared no better. Fielder C. Slingluff and John C. Rose have been appointed trustees to sell the plant and machinery of the United Milk Producers' Association under a mortgage for $42,500 to David Ambach and the American Ice Company.

On the afternoon of Sunday the funeral services of Mr. Clarence V. Pearre were held in the Linganore church, Mr. Pearre, who was a son of Thos. C. Pearre, near Unionville, Frederick county, was killed at Bradshaw Station, on the Philadelphia Division of the B. & O. R. R., on Friday morning, 4th inst. On Saturday morning his body was taken to the home of his parents and interred on Sunday last in the Linganore cemetery. He was a member of the German Baptist Church and his minister, Rev. Joseph Ellis, of Baltimore, had charge of the funeral services. Prof. Wine, of Union Bridge, and Rev. B. F. Clarkson, of Unionville, assisted in the services. The attendance was very large, the church having been crowded with sympathizing friends. Delegations from Good Intent Lodge No. 447, B. of R. T., of which the deceased was a member; Maryland Lodge, No. 453, B. of R. T., of Baltimore; Mount Moriah Lodge, B. of R. T., of Philadelphia; and Easter Lily, No. 136, B. of R. T., were in attendance. The deceased was but a little over 20 years of age at the time of his death. Young Pearre was a brakeman in the employ of the B. and O. Railroad, and his companions in that service speak of his character in high terms. He had been visiting, with his mother, in Waynesboro, Pa., and they left there on the evening of the 3rd inst., the young man going directly to Baltimore and leaving there on his train the next morning only a short time before the accident which resulted in his death.

Christmas Services at the Alms House.

Christmas services at the Alms House were postponed this year, until after the college reopened, in order that the young men of the Y. M. C. A., who so faithfully visit the inmates and hold services for them during the year, might be present. This was done with the full consent and wish of the inmates themselves, and so, in the afternoon of January 3rd, the committee in charge, accompanied by some interested friends, met the assembled inmates, and held a short service in the room set aside for the Sunday services, and distributed the gifts, which the generosity of kind friends enabled us to provide for them. These consisted of warm skirts, and to those who can sew, material to make up for themselves; ribbons and bottles of perfumery to the women; socks, handkerchiefs and tobacco to the men, and to each one, in addition, a box of confectionery and a bag containing an orange, apple, pear, bananna, dates and small cakes. Baskets of fruit were given to the sick, and to one man, an invalid, a four-months' subscription to a daily paper, to help pass away the tedious hours of winter. Other small articles, such as needles, thread and little comforts, which we found were needed, were also added to the packages, each of which contained a pretty Christmas card, the gift of a friend. Our service consisted of bright Christmas carols; prayer by Mr. Bartlett, of the college; responsive scripture reading, led by Mr. Kidd, and a short talk on the lesson of the Christmas time, by Mr. H. H. Price, of the seminary; vocal duet, "Sleep Holy Babe," by Misses M. B. Shellman and Nannie Rinker; the Lord's Prayer, recited in concert, and the Mizpah Benediction. To the many kind friends who, from year to year, have aided us financially, we return our sincere thanks. Without their help we could not possibly give this annual treat to those whose poverty and helplessness has driven them to seek shelter in the Alms House. In their name and at their request we take this means of thanking each and every one, including the kind and generous friend in far away Cuba, not only for the money given, but for the words of encouragement and sympathy in our efforts to carry a little sunshine into their lives. While there are not as many inmates as in former years, there are still some of the old men and women to whom we have ministered during the past seven years, and others have filled the places of those who have passed to their eternal rest; and we can truthfully say their wants are simple, their gratitude sincere. Our Sunday service is held every Sunday afternoon at three o'clock, and we would be glad to welcome those who have proved their interest and sympathy to any of our services. Again, with sincere thanks,

M. B. SHELLMAN,
NANNIE RINKER,
Committee.

TRUSTEE'S SALE OF A TRACT OF LAND,

In Westminster District, Carroll County, Md.

By virtue of a decree of the Circuit Court for Carroll county, sitting as a Court of Equity, passed in cause No. 3842, on the equity docket of said court, wherein Grove O. Easton et al., are plaintiffs, and Charles Easton et als., are defendants, the undersigned, trustee therein appointed to sell the real estate in the proceedings mentioned, will sell at Public Sale, on the premises, on

WEDNESDAY, FEBRUARY 6TH, A. D. 1901,

at 1 o'clock, P. M., sharp, all that tract of land, containing

2 ACRES, 2 ROODS AND 27 PERCHES,

more or less, situate on the Washington and Nicodemus county roads, and about 5 miles from Westminster, improved

by a two-story Dwelling House, 18x25 feet, with back building, 16x16 feet, with large Store Room attached, log barn, wagon shed, granary, smoke house and other usual outbuildings. Also a large orchard; never failing well of water at the door; convenient to church and school. This is an excellent stand for doing a good country business in general merchandise. Also, at the same time and place, I will sell all that tract or parcel of land, being the one-half (½) interest in and to 18 Acres, 3 roods and 37 perches, more or less. This land is in a good state of cultivation, all clear, well fenced, fronting on the Westminster county road, 5 miles from Westminster, 2½ of which is now piked. The other ½ interest will be sold at the same time by George L. Stocksdale, also as trustee, thereby selling the entire interest in said 18 Acres, 3 roods and 37 perches, and the same will be sold by the acre. This tract of land lies near the above offered parcel of land, and would make a nice lot for pasture, or farming purposes. For further information, call upon or address George L. Stocksdale, at Westminster, Md.

TERMS OF SALE.—One third in cash on the day of sale or on the ratification of sale by the Court, one-third in one year and the other one-third in two years from the day of sale, the credit payments to be secured by the notes of the purchaser or purchasers, with approved security, bearing interest from the day of sale.
