Circular

Philadelphia Novem: 18th 1779

Copy

Sir,

134

You will receive herewith enclosd two acts of Congress of the 12th & 16th instant for reforming the eleven companies of artificers raised by the Quartermaster General, making provision for and granting certain benefits to that Corps in particular that they be considered as part of the Quotas of the Eighty Battallions apportioned on the several States to which they respectively belong. Also another act of the 16th instant requesting the aid of the several States for obtaining wittnesses & depositions in the trial of cases before courts martial.
