property before he left the Plantation.
and the said Henry instantly sents for eight
white men and one Negro to prevent the
said George taking the Battle and said he
would tie him the said George and hand
cuff him and leave him among the
cattle, and the said George replyd he would
blow the Brains out of the first man that
would lay violent hands on him, and then
left the Place, but the said Henry with
his Party aforesaid followed him and the
said George said he would not contend
with them, but would take the Law of
them and said Henry answerd him that
he would wipe his arse with his Law
that it was a blackgarde and unatural
Law and he expected that in a short time
he would have other Laws for him the said
George and those that distressd him
that his Battle was distrained, for the use of
the County and he might have his
share of them as well as others and told
the said George to go about his business
and seeks his recompence, and then
turned up his Arse and said a fart for them
that will give it you, and the said George
further saith that the said Henry hath killed
the Steer for his own use and said if the
said George would offer to take the Heifer
he would give him a blow that would
