To the Honble the Council of Safety for the Province of Maryland — I beg leave to recommend Capt. William Campbell and Captain Belain Posey two Gentlemen at the head of Militia Companys in Charles County, who have behaved themselves in the cause of liberty so as to gain the good wishes of their County — and to any place that may happen to be vacant in the regular Battallion, or Regular Independant Companies, they being deserving of serving their County in either, I do very earnestly offer them to the Attention of the Honble Council.
