A MOTHER'S LOVE.

When a boy is far away from home,
What pleases him the most?
Why, it's when a letter comes to him
From mother thro' the post!
No matter if the silver hairs
Appear upon his head,
He's still his mother's boy as when
His hair was carrot red!

Tho' thirty years have left their marks
And seared his careworn face,
In mother's eyes he's yet a lad
Without time's telltale trace!
Her letter thus begins: "Dear boy;"
It sets his heart athrill
To think that mother knows him as
A little shaver still!

A mother's love is as a charm
The sesame of youth!
One feels that age has naught to do
With love or life or truth,
Whene'er he gets a letter from
His mother far away,
Who sees naught but the guileless child,
Behind the man grown gray.

Government Crop Report.

Washington, May 10.—Returns to the statistician of the Department of Agriculture made up to May 1 show the area under winter wheat cultivation on that date to have been about 28,267,000 acres. This is 2,015,000 acres, or 6.7 per cent., less than the area sown last fall, but 2,032,000 acres, or 7.7 per cent., in excess of the winter wheat acreage harvested last year. Of the reduction, about one-half is reported from Texas and California, due in the former state to the ravages of the wheat plant louse, and in the latter to the cutting, as is not unusual in that state, of a considerable acreage for forage. In the states that had one million acres or upward sown last fall the following percentages are reported as abandoned or cut for forage: Missouri 1, Kansas 1, Illinois 1.9, Pennsylvania 2, Indiana 2.5, Ohio 3.2, Tennessee 4.7, Michigan 9.6, Oklahoma 12.5, California 18 and Texas 42. 4. For the area remaining under cultivation the average condition on May 1 was 94.1. While this average is 10.5 points above the mean of the May averages of the last 10 years, and has been exceeded only three times in 17 years, it must be remembered that the acreage plowed up, cut for forage or otherwise abandoned has been entirely eliminated. In Kansas the wheat crop has held its own at the high average, 105, reported April 1, while an improvement is reported of 5 points in Pennsylvania, Ohio and Indiana, 8 in Illinois and 4 in Missouri. On the other hand, notwithstanding the elimination in California of so much of the acreage as will not be harvested, a decline is noted amounting to four points in the former state and 14 in the latter.

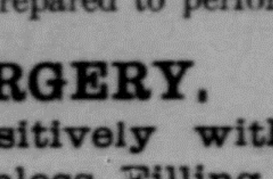

The average condition of winter rye on May 1 was 94.6, as compared with 93.1 on April 1, 1901; 88.5 on May 1, 1900; 85.2 at the corresponding date in 1899, and 89.2, the mean of the May average of the last 10 years. The present condition is the highest since 1891. Pennsylvania and New York, with two-fifths of the total winter rye acreage of the country, each report a condition of 94, which corresponds with the 10-year average in New York, but is four points above such average in Pennsylvania.

The average condition of meadow mowing lands on may 1 was 82.8, against 90.8 on May 1, 1900, 84.9 at the corresponding date in 1899, and 91.1 the mean of the May averages of the last 10 years.

The average condition of spring pastures on may 1 was 91.5, against 91.3 on May 1, 1900; 83.5 at the corresponding date in 1899, and 90.8 the mean of the May average of the last 10 years.

Of the total amount of spring plowing reported as contemplated it is estimated that only 66.3 per cent. was actually done up to May 1, the proportion usually done by that date being about 75 per cent. of the whole. Only three times in the last 15 years has the percentage done by May 1 been as low as it is this year. Of the states having one million acres or upwards to be plowed this spring only North Carolina, Georgia, Alabama, Mississippi, Louisiana, Arkansas and Tennessee report the proportion actually done up to May 1 as in excess of their respective 10-year averages. The lateness of the season is especially marked in New York, Pennsylvania, Indiana, Minnesota, Iowa, Kansas and Nebraska.

Why Not Cure Your Cough or Cold?

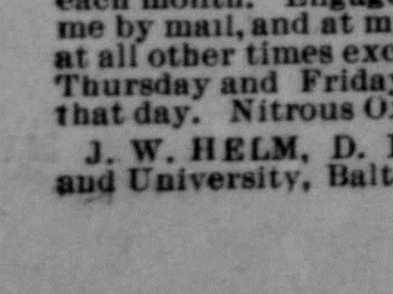

WESTMINSTER, April 10th, 1890.

MR. JOS. B. BOYLE:

Dear Sir:—For many years I have suffered intensely, on taking cold, from a very troublesome cough, for which I have used a number of various remedies, and obtained but TEMPORARY RELIEF. During the past Spring I was again troubled with the same cough, and through a friend was induced to try YOUR Pectoral Syrup, which not only gave almost INSTANT RELIEF, but a PERMANENT CURE. It gives me great pleasure to say that I believe it to be the best remedy I ever used for the purpose for which it is recommended. Hoping that any person afflicted as I was may be fortunate enough to give it a trial, I am, Truly yours,
EDWARD LYNCH.

MAYDOLE'S HAMMER.

(Benson's Plaster is Pain's Master.)

When Maydole was told that he made "a pretty good hammer," he said, "No, I don't make a 'pretty good hammer,' I make the best hammer that ever *was* made."

Every carpenter who saw a Maydole hammer wanted one. It was of the best material, perfectly balanced, and the head never flew off. Hammers were divided into two classes—1st, Maydole's; 2d, all the rest.

Plasters are separated by the same line of cleavage; 1st, Benson's Porous Plaster; 2d, all the rest. When, for rheumatic pain, a cold, a cough, kidney trouble or any other disease or ailment that may be treated externally, you ask for a plaster, any honest, reputable druggist will give you a Benson's. He *knows* it is incomparably the best, and he assumes that you know it too. As the name of Maydole stood for hammers the name of Benson stands for plasters—the "real thing." All the medicinal potencies that are valuable in a plaster are in Benson's. Capsicum, Strengthening and Belladonna plasters are out of date.

An army of physicians and druggists, and millions of the people, have written of Benson's Plasters as a remedy to be trusted.

Benson's Plasters have fifty-five *highest awards*. Accept no substitute.

For sale by all druggists, or we will prepay postage on any number ordered in the United States, on receipt of 25c. each.

Wall Paper! Wall Paper!

I wish to call the attention of my friends and the public in general to the fact that I now am ready to show one of the

Finest and Cheapest Lines of WALL PAPER

ever exhibited in this county, bought direct from the factory, in full bundle lots, so you get it only from second hands, no two or three profits coming off it. Of course the consumer pays them all. Sam Jones says it takes a pointer pup nine days to get his eyes open. I have known some people to get their's open in fifteen minutes in a wall paper deal. They thought it was two pieces instead of one, and the border they did not understand, &c. That is always their plea. Remember I am the only paper hanger in the county that carries a stock and don't have the expense of running a store, therefore I have no opposition. Is you think I can't save you money, come and see me and bring size of your room, or send size by mail and I will tell you what your job will cost, and send samples and convince you that Gladhill's is the place to save twenty-five cents on a dollar on all Wall Papers.

L. GLADHILL,
jun-28-tf Westminster, Md.
