Republican State Central Committee.

Dates for State and Other Conventions Named.

The Republican State Central Committee met at Raine's Hall, Baltimore, on Tuesday and was largely attended, every county having been fully represented. The utmost harmony prevailed and the business of the committee was transacted with practical unanimity. The chairman, Hon. Phillips L. Goldsborough, presided and made a stirring and eloquent speech. The committee decided that the State convention shall be held in Baltimore on Tuesday, August 6th; the First Judicial District convention, at Ocean City, July 25th, and the Fifth Judicial District convention, in Westminster, August 27th. Primary elections are to be held in Baltimore City, July 8th and the City convention will meet July 11th.

The committee adopted a series of resolutions for the government of the Baltimore primaries which, it is expected, will insure honest voting and fair counting, and prevent a factional contest.

The following resolutions in relation to the State and Fifth Judicial District conventions were adopted unanimously:

Resolved, That the Republican state convention be held in the city of Baltimore on the 6th day of August, A. D. 1901, at 12 o'clock noon, at such place as the chairman of the state central committee may select. Such convention shall nominate candidates for comptroller of the treasury and clerk of Court of Appeals, and take such other action as may properly be considered by such convention.

Resolved, That the time, place and manner of holding primaries in the several counties and county conventions therein shall be fixed by the members of the state central committee therof. Provided, that due notice be given of the primaries in two successive issues of a Republican newspaper in the county or by handbills posted conspicuously throughout the county, at least 10 days prior to the day on which said primaries are to be held.

Resolved, That the convention for nominating a candidate for Judge in the Fifth Judicial district of Maryland shall be held at Westminster, Md., on the 27th day of August, 1901, at noon, and that the members of the Republican state central committee for the counties of Howard, Anne Arundel and Carroll are hereby authorized and empowered to make provision for the holding of primaries in their respective counties for the election of delegates to a county convention, which said county conventions shall elect delegates to the said judicial convention; and for such other business as may properly come before said judicial convention.

M. to-day the members will assemble in the college chapel for transaction of miscellaneous business, appointment of committees, address by R. W. Sryster and reports and suggestions by the delegates.

Rev. Samuel Domer, D. D., died in Washington, D. C., on Sunday, aged 75 years. Mr. Harry T. Bush, who had been in the far west, has returned home again and is with his mother, near Reese.

The rainy weather of late has thrown the farmers back a great deal with their work and plenty of grass is coming up in the corn and potato fields, the ground having been too wet to work.

The hay crop in this section looks as if it would be short, but the recent rains may help it yet and make a good yield.

The strawberry festival at Pleasant Grove M. E. Church held on Saturday, June 1, was fairly well attended although the weather was very inclement.

The Finksburg and Reisterstown Baseball teams are to play another game on Saturday, June 8, at Finksburg. Some of the ladies of Finksburg are going to hold a sort of festival at the place where the game is to be played.

The creamery seems to be doing a good business, with a promise of more in the near future.

It has been very wet during the month of May, thus somewhat retarding the farmers but the prospect of crops seems good.

Mr. John E. Rhodes, at the old Wentz stand, bought two tons of binder twine at one time.

Maryland State Teachers' Association.

This year the Association will convene at the Blue Mountain House the 1st, 2nd and 3rd of July. There will be a very fine program including subjects discussed by men from this and other States who have distinguished themselves as lecturers on educational subjects. Not only are these meetings popular but they are helpful to the teachers in many ways. They awaken new interest and create enthusiasm among all the progressive teachers who attend them. The teachers in Carroll are near enough to attend this meeting of the Association with but little expense, and I shall be delighted to see this county largely represented. Round trip tickets can be purchased for one and one-third first class fare. Good accommodations at the Blue Mountain House at $2 to $2.50 per day. Many teachers need just such an outing and they should make an effort to go on this occasion which will be not only profitable, but thoroughly enjoyable.

The paper of the people, for the people and with the people.

Honest in Motive, Fearless in Expression, Sound in Principle.

A newspaper is an educator: there are all kinds of educators, but the man who spends money judiciously and liberally is beterr able to impart his knowledge than the man who has little or nothing to spend.

The SUN is the highest type of a newspaper. The Sun's Special Correspondents throughout the United States, as well as in Europe, South Africa, China, and, in fact, all over the world, make it an up to-date newspaper.

The Market Reports and commercial features put the farmer, the merchant and the broker in close touch with the markets at Baltimore, Norfolk, Charleston, New York, Chicago, Philadelphia and other places which are prominent centers.

From now on the news of the world promises to be more interesting than ever before and national and political questions will arise, making probably the most eventful period in the country's history.

This, together with the corps of editors and reporters at Baltimore, Washington and New York, make The Sun invaluable to its readers.
