In Committee for Lower district of Fred.k County July 26th 1776.

Gentlemen

Understanding that there is a Vacancy for a Major in the Battalion for this County, we take the Liberty to recommend Major Richard Crabb to you for that Office.—

We are convinced, as well of Major Crabb's attachment to the Cause of America, as of his Oeconomy Fortitude and Manly resolution, and doubt not but his own Merit will fully Justify the Appointment —

We are

Gentlemen

Your Hum.e Serv.ts

By order
