Hont.ble Sirs

Annapolis 9th Nov. 1776 —

I arrived here the 2d Inst. With 76 Privates, a return of my Company Stores, & the state of our Guns, I Delivd the board of War, & begd that those wanting repair might be sent to the Smiths for that Purpose. ~~however~~ my request was not complied with to have Marched to Camp with Guns in such order, would have been Folly. I therefore applied to Colo. Ramsey for money who Procured me 240 Pounds. —

I have taken the Liberty to Inclose my Account, by which you will see there is a Balance due the Company which I beg may be sent, or an order therefor to Colo. Ramsey I have been obliged to advance money, as the Company, were in need, & unwilling to March without being Paid

I am Hont.ble Sirs

Your most obed. Servant
