Eph. Howard 2d Major refused.
Chas Warfield 2d Mr. he says he will act if agreeable to the
Batt. if not will resign I requested him to say yes or no in
so many words but did not get him to say so the oppinion
me to be a good man.

When I was amongst the people the other day
some Gent from Annap. were there from whom I learnt
that some people between were begining to holloat at our
high price they told me the Conjecture was that it wd
due to insert the paper money for fear of its falling in
the publick, thinks it is obvious if practised
brings forward the same single a motive it will bring many
great Ditto. on us thinks it wd be a thing now
to prevent it Not as an Article of our Constitution —
but provide against rotten policy. I believe it wd be
if this practice is encouraged in any way great to out it
may not be proper to prevent people against encouraging it
to lay a foundation in Justice for the Interposition of
the Legislature.
