Heirs to Texas Oil Lands.

Mr. Edward W. Goff, of Austin, Texas, sends us the following, clipped from the *Texas State Journal*, published in that city, and says: "It will be of interest, as many Texas pioneers came from your State:"

The great oil discoveries in Texas have caused active search for the unknown heirs of the following early settlers of Texas and soldiers of the Texas Revolutions of 1835 to 1840. Large tracts of wild lands, which have become very valuable, were granted by the Texas Republic to such settlers and soldiers, which, on account of their death or disappearance, were never sold and still await claim of their heirs. Many of the neglected lands lie in the oil regions. Edward W. Goff, of Austin, Texas, sends list of such settlers and soldiers whose unknown heirs are entitled to the lands. He will give further information on request. The list follows: Samuel Alloway, Thomas Adams, H. B. Akles, Collier Barksdale, Augustus Baker, George Brown, Edwin Blake, Daniel Bourne, B. F. Blake, Mrs. M. Betalgio, Wm. Bloodgood, A. B. Barrier, D. A. Burrough, Martha Blanchard, Isaac Bridges, J. W. Blue, G. Bluthart, Wm. C. M. Baker, J. L. Chambers, Harvey Cox, Archibald Chase, M. E. First.—By amending section 9 of Article 5, of the Constitution of the State.

Second.—By amending section 4 of Article 3, of the Constitution of the State.

Third.—By amending section 2 of Article 3, of the Constitution of the State, which said bills and amendments are in words following, to wit:

CHAPTER 185.

AN ACT to amend section nine, of Article 5, of the Constitution of this State, and to provide for the submission of said amendment to the qualified voters of this State for adoption or rejection.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, (three-fifths of all the members elected to each of the two Houses concurring,) That the following section be and the same is hereby proposed as an amendment to Article 5, of the Constitution of this State, and if adopted by the legal and qualified voters thereof, herein and as by law provided, it shall supersede and stand in the place and stead of section nine of said Article.

SECTION 9. The State's Attorney shall perform such duties and receive such fees and commissions or salary not exceeding three thousand dollars, as are now or may hereafter be prescribed by law; and if any State's Attorney shall receive any other fee or reward than such as is or may be allowed by law, he shall, on conviction thereof, be removed from office; provided that the State's Attorney for Baltimore city shall receive an annual salary of forty-five hundred dollars, and shall have power to appoint one deputy, at an annual salary not exceeding three thousand dollars, and such other assistants at such annual salaries not exceeding fifteen hundred dollars each, as the Supreme Bench of Baltimore City may authorize and approve; all of said salaries to be paid out of the fees of the said State's Attorney's office, as has heretofore been practiced.

SECTION 2. *And be it further enacted*, That the foregoing section hereby proposed as an amendment to the Constitution of this State, shall be, at the next general election for members of the General Assembly, to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the direction contained in Article 14, of the Constitution; and at said election the vote on said proposed amendment shall be by ballot, and upon each ballot there shall be written or printed the words "For the Constitutional Amendment" or "Against the Constitutional Amendment," as the voter shall elect, and immediately after said election one return shall be made to the Governor of the vote on said proposed amendment, as directed by the said Fourteenth Article of the Constitution.

SECTION 4. As soon as may be after the taking and publishing of the National Census of 1905, or after the enumeration of the population of this State, under the authority thereof, there shall be an apportionment of representation in the House of Delegates, to be made on the following basis, to wit: Each of the several counties of the State, having a population of eighteen thousand souls or less, shall be entitled to two delegates; and every county having a population of over eighteen thousand and less than twenty-eight thousand souls, shall be entitled to three delegates; and every county having a population of twenty-eight thousand and less than forty thousand souls, shall be entitled to four delegates; and every county having a population of forty thousand and less than fifty-five thousand souls, shall be entitled to five delegates; and every county having a population of fifty-five thousand souls and upwards, shall be entitled to six delegates and no more; and each of the four legislative districts of the City of Baltimore shall be entitled to the number of delegates to which the largest county shall or may be entitled under the aforegoing apportionment, and the General Assembly shall have the power to provide by law, from time to time, for altering and changing the boundaries of the existing legislative districts of the City of Baltimore, so as to make them as near as may be of equal population; but said district shall always consist of contiguous territory.

SEC. 2. *And be it further enacted by the authority aforesaid*, That the said foregoing section hereby proposed as an amendment to the Constitution, shall, at the next election for members of the General Assembly of this State, to be held on the Tuesday next after the first Monday in the month of November, nineteen hundred and one, be submitted to the legal and qualified voters thereof, for their adoption or rejection, in pursuance of the directions contained in Article 14, of the Constitution of this State; and at the said election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the words "For the Constitutional Amendment," or "Against the Constitutional Amendment," as the voter shall elect, and immediately after the said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Article 14, of the Constitution.

Approved April 7, 1900.

CHAPTER 469.

AN ACT to amend section two of Article 3 of the Constitution of the State.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, (three-fifths of all the members of the two Houses concurring,) That the following section be and the same is hereby proposed as an amendment to the Constitution of this State, and if adopted by the legal and qualified voters thereof, as herein provided, said section shall supersede and stand in the place and stead of section two of Article 3 of said Constitution.

2. The City of Baltimore shall be divided into four legislative districts as near as may be of equal population and of contiguous territory, and each of said legislative districts of Baltimore City, as they may from time to time be laid out, in accordance with the provisions hereof, and each county in the State, shall be entitled to one Senator, who shall be elected by the qualified voters of the said legislative districts of Baltimore City, and of the counties of the State, respectively, and shall serve for four years from the date of his election, subject to the classification of Senators hereafter provided for.

SEC. 2. *And be it further enacted by the authority aforesaid*, That the said foregoing section hereby proposed as an amendment to the Constitution shall at the next election for members of the General Assembly of this State, to be held on the Tuesday next after the first Monday in the month of November, nineteen hundred and one, be submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article 14 of the Constitution of this State; and at the said election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the words, "For the Constitutional Amendment," or "Against the Constitutional Amendment," as the voter shall elect, and immediately after said election due returns shall be made to the Governor of the vote for and against said proposed amendment, as directed by the said Fourteenth Article of the Constitution.

Approved April 7, 1900.

NOW, THEREFORE, I, JOHN WALTER SMITH, Governor of the State of Maryland, in pursuance of the provisions of section one of Article fourteen of the Constitution of the State, do hereby order and direct that a copy of said bills proposing said Constitutional Amendments be published in at least two newspapers in each county where so many may be published, and where not more than one may be published, then in that newspaper, and in three newspapers in the City of Baltimore, one of which shall be in the German language, once a week for at least three months preceding the next ensuing general election (which said general election will be held on Tuesday, the 5th day of November, nineteen hundred and one), at which the said proposed amendments shall be submitted to the qualified voters of the State for adoption or rejection, so that each amendment shall be voted on separately.

Wall Paper!
Wall Paper!

I wish to call the attention of my friends and the public in general to the fact that I now am ready to show one of the

Finest and Cheapest Lines of WALL PAPER

ever exhibited in this county, bought direct from the factory, in full bundle lots, so you get it only from second hands, no two or three profits coming off it. Of course the consumer pays them all. Sam Jones says it takes a pointer pup nine days to get his eyes open. I have known some people to get their's open in fifteen minutes in a wall paper deal. They thought it was two pieces instead of one, and the border they did not understand, &c. That is always their plea. Remember I am the only paper hanger in the county that carries a stock and don't have the expense of running a store, therefore I have no opposition. If you think I can't save you money, come and see me and bring size of your room, or send size by mail and I will tell you what your job will cost, and send samples and convince you that Gladhill's is the place to save twenty-five cents on a dollar on all Wall Papers.
