Frederick Town Sep.r 16th 1781

Sir

122

Immediatly upon the Receipt of your of the 3d Inst. I applied to the several Shoemakers and Hatters in this place in order to procure Shoes & Hats, not one of these Tradesmen had any of those Articles by them but promised towards the latter end of the month to let me have the whole of what they could get Ready: I am in hopes a Considerable Number of Each will be delivered; if at that time some of the Tradesmen seem very willing to take the New money if you would order some to be sent. I make no doubt but whole will receive it Chearfully

Inclosed is three Instruments of Weighting Signed by Nicholas Andrews, George Graves & Adam Graves, I thought it proper they should be lodged with you therefore have sent them; I intend Marching them Tomorrow or on Tuesday Morning as they could not get Ready sooner you will please to direct some person there to receive them I am with greatest respect

your Excellency very Hble Serv.t

Chas Edelen
