follows that my Labor will be lost, for I have heard Juvenil Magistrate express themselves, that they thought those who appealed would get clear. Be kind enough good Sir to pass me your Sentiments on the Subject, determined so far as in my Power to support the Cause, makes me freely ask them. A Languor in all publick Business throughout this County, makes me almost unhappy in my publick Character, besides am fully ashamed, the pittance allowed on the Agreement, is so trifling that I must even sink Money on the Collections; without taking Notice of the Accidents, of Counterfeit Money, Robery, or accidental Dropping money, from which no Man can say his is exempt. Happiness attend your Excellency, publick, as well Domestick. I am
