are there twelve days — I have ab.t 150
pr Shoes and as many pair of Stockings
which might go by the same conveyance
the Bacon does — The Stockings I have
been airing these two days to prevent
the Moth — indeed the Woollens in the
Public Store are not aired this Month
nay Tobacco stowed among st them they will
not be worth a Button — I should be
glad to have some large Salt to strow
between each layer of the Bacon when
it is packed away in Casks — I wish
you health and am
