Dear Sir,

I inclose you agreeably to my promise in my last an English newspaper with the speech of the king of Great Britain to his Houses of parliament — Likewise some debates in consequence of the speech, which I beg you will show to my Friend Mr. Carrol & to my Brother —.

I am hourly expecting letters from you in answer to some I wrote in July last relating to business I have to transact in England concerning Mrs Lloyd's Estate which is of impor=tance, and cannot be done but with my presence — Th. I defer this business, I must return from America solely for that purpose — I shall however remain here until I get yr. answer — the reason I could not complete it when I was in England my Wife was not then of age —.

I shall certainly be in Maryland early in the Summer if I am not taken in crossing the Atlantic —

I am, Dear Sir, with much respect
yr. very Obt. Servant
Richard Bas Lloyd
