WESTMINSTER, - MARYLAND.

Entered at the Postoffice at Westminster, Md., as Second-class matter.

SATURDAY, JANUARY 11, 1902.

The Democrats of the Maryland Senate have adopted a closure rule by which they may shut off debate at will and prevent their opponents from pressing them too hard with arguments upon measures which will not bear the light of free and fair discussion. This is only another sample of the arbitrary rule of Gormanism, which not only "denies the people their rights," but tolerates no opposition, when it has the power, outside or inside the party lines.

The result of the caucus of the Democratic members of the General Assembly of Maryland, on Wednesday evening, was the unanimous nomination of Senator Arthur P. Gorman for another term in the Upper House of the National Congress, and the nomination, with only three dissenting members, of Mr. Murray Vandiver for State Treasurer. Mr. Isaac Lobe Strauss, of the House of Delegates, was, however, voluntarily absent from the caucus, and his course indicates a determination to imitate Davy Crockett, by refusing to wear the Gorman collar. He is only one man, to be sure, but he may exercise a restraining influence upon some of his party associates and prevent the accomplishment of some of the plots and schemes of the bosses. He found five Democratic members of the House with sufficient courage to defy the wishes of the managers, on Wednesday, and vote with him for an adjournment until Friday evening. The Republicans supported the motion, which was carried by a vote of 48 to 45. It is said that Mr. Strauss' object was to prevent action in caucus on the nomination for State Treasurer. If that was really his intention it failed, as Mr. Vandiver was made the caucus nominee for the office, as already stated.

The report of Comptroller of the Treasury J. W. Hering for the year ended September 30, 1901, was submitted to the Legislature on Tuesday. The report shows the finances of the State to be in a sound and healthy condition. It is rather difficult to epitomize the various items going to make up the whole report, as they are given in detail. The amount received into the treasury from all sources, during the year, was $3,248,154.12, which, with the amount of $849,855 16 in the treasury proper, September 30, 1900, and $299,-589.14 to the credit of the funds account made up an aggregate of $4,392,-628.42. Included in the receipts was $200,000 realized from the sale of State Building and Improvement Load bonds, leaving as the ordinary revenue the sum of $3,043,154.12. The disbursements were $3,120,626.37, leaving in the treasury proper, at the close of the fiscal year, the sum of $672,412.91. The funded debt of the State was $6,509,326,-13, an increase of $200,000 over the previous year. This increase is explained by the fact of the issue of that much of the loan known as the "State Building and Improvement Loan." The gross funded debt is offset by the investments and cash to the credit of the sinking fund, leaving the actual net debt $2,662,344.29. Comptroller Hering says "the securities so held by the State are highly valuable and, in my judgment, if a proper price were obtained for them the tax of 4½ cents on the $100 levied to pay the interest on the State debt and provide for the payment of the debt at maturity could be dispensed with."

All sorts of railroad rumors are in circulation. It is reported that the Goulds, who control the Wabash system, have purchased the West Virginia Central and are after the Western Maryland for the purpose of securing a through line to tidewater. On the other hand it is asserted that the Pennsylvania is the purchaser of the West Virginia Central and has made a large offer for the Western Maryland for the purpose of shutting out the Wabash. Then officers of the W. V. C. declare that nobody has purchased that road and that it will remain intact. There is no doubt, however, that a big railroad deal of some sort is on foot and will probably culminate in a short time.

At a special election for Congressman, to fill a vacancy, in the Seventh District of New York, on Tuesday, Montague Lessler, a young Republican, defeated Perry Belmont, Democrat, by a plurality of 394. The district is usually Democratic by 2,000 to 4,000 plurality. The defeat was a sore surprise for Mr. Belmont.

The Republicans in the General Assembly held a caucus on Wednesday night and decided to vote for Congressman Wm. H. Jackson, of the First Congressional District, for United States Senator, and Gen. Thos. J. Shryock for State Treasurer.

By a cave-in at the bottom of an old shaft of a mine at Negaunee, Mich., on Tuesday, 13 to 17 miners are reported to have lost their lives.

## BUSINESS LOCALS.

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and had a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annato Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly warded off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. For sale by all Druggists.

The Junior Christian Endeavor Society of Deer Park M. E. Church will hold a Bench Social at the home of Mr. and Mrs. E. I. Gardner, at Bird Hill, Thursday, 16th inst. If unfavorable, Friday, 17th. Each lady is supposed to bring a lunch, and each gentleman, with the admission of 10c each, has the preference of his lady friend to lunch. There will be a good program rendered. THE COMMITTEE.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flowers to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and had with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. You can get Dr. G. G. Green's reliable remedies at W. Scott Zepp's, Druggist, Westminster. jy-5-91-1y-c. o. w.

IT GIRDLES THE GLOBE.

The fame of Bucklen's Arnica Salve, as the best in the world, extends round the earth. It's the one perfect healer of Cuts, Corns, Burns, Bruises, Sores, Scalds, Boils, Ulcers, Felons, Aches, Pains and all Skin Eruptions. Only infallible Pile cure. 25c a box at the Shaw Drug Company.

Rev. J. M. Yingling, pastor of the Bedford St. M. E. Church, Cumberland, Md., says: "it affords me great pleasure to recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used it and know others who have never known it to fail." For sale by all Druggists.

WANTED.—25 Young Ladies at our Sewing Rooms on John Street, in Westminster. Apply on the premises to the Manager.

A DEEP MYSTERY.

It is a mystery why women endure Backache Headache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phebe Cherley, of Peterson, Ia., "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my housework." It overcomes Constipation, improves Appetite, gives perfect health. Only 50c at Shaw Drug Co.

A GOOD RECOMMENDATION.

"I have noticed that the sale on Chamberlain's Stomach and Liver Tablets is almost invariably to those who have once used them," says Mr. J. H. Weber, a prominent druggist of Cascade, Iowa. What better recommendation could any medicine have than for people to call for it when again in need of such a remedy? Try them when you feel dull after eating, when you have a bad taste in your mouth, feel bilious, have no appetite or when troubled with constipation, and you are certain to be delighted with the prompt relief which they afford. For sale by all druggists.
