Talbot Co. Plaine 20th March 1779.

Sir

A few Days past I was favoured with yours of the 16th of Feby, requesting to be informed if any Publick Cloathing is remaining on hand either in my Possession or any other Person employed by me to Collect. I have no Cloathing of any sort on hand which you may see by an Account I transmitted by Colo Hindman. Had there been any remaining I should by the Earliest Opportunity have advised you, that you might have taken Order thereon how they should have been disposed of.

I am Sir
Your Most Obedt humble Servt
Joseph Brown
