he Solicited my Acceptance of a Sett of Bills and a trifle of Cash which
I agreed to accordingly he furnished me with Two half Johannises in
Cash and a Sett of Bills for £50 Stg. which is all that I Received
of him and for which I gave him a Receipt I think with a Black lead
Pencil in his Memorandom Book which if so as he has been capable of
giving you a false State of Facts in one Instance I should not be Surprised
to hear of his closing the Scene by forgeing the Sum he mentions to have Advanced
me in the Receipt.
