Sir, Copied Intendants Office August 22d. 1782

The Intendant has requested the Treasurer to receive the Paymasters Notes agreeably to your Excellencys Letter in Council of yesterday. It would be some time before similar directions could reach the hands of the Collectors, who have had Orders to Execute for the five shillings Tax as soon as it became due, therefore the Intendant apprehends any Notice on this business would be received too late to answer the proposed End.

I have the honor to be with the greatest Attachment

Sir,

your Excellencys

most obed.t Servt.

Dan.l of S.t Thos. Jenifer Intend.t

His Excellency

Governor Lee
