Intendants Office July 25. 1782

Sir,

The enclosed is a Copy of a letter that I recieved yesterday from his Excellency the Governor and the Council. By which you will perceive they request me to deposite immediately in the Treasury the Money that was lately committed me from the Havana by Mr. Dorsey — When you applied to me for this Money I conceived myself obliged as it was appropriated to the recruiting Service to deliver it to you to whom the Genl. Assembly had delegated the powers incident to that Service and of course superseded in that respect the powers of the Governor and Council. But as I presume they would not have been so positive as to assert that this Money was subject to their sole disposition without still considering the Subject
