paid when last on the Eastern Shore that it will be paid this Summer

That Mr Toney was supposed to be in arrears the Sum of four hundred & twenty pounds as the Governor mentioning was told me by the Treasurer, I informed him I would mention it to Mr Toney, who I doubted not would have them paid, if he had received them — I complied with my Engagement, and Mr Toney promised to attend to the Settlement of the fines. — I am informed they are not yet paid, and he is one in the number of those against whom proceedings — I never engaged to pay them for Mr Toney — I never received a shilling of them — nor did I owe and Mr Toney a shilling in my life. —

A Fieri Facias was issued on the behalf of the State against Mr Hutchinson and levied upon some Negroes and some other property

The Sheriff during the Court informed me he had sold all the property, except the negroes that the sales were below the value of the property and that he apprehended if he proceeded to sell the negroes they would go off at little or nothing to the great loss of the State — I consulted several Gentlemen and I believe among others the Treasurer — It was thought most for the Interest of the State to defer the sale till some measures should be adopted to
